IT'S TEAMWORK THAT DOES IT

The 5th War Loan STARTS NEXT WEEK.

WHEREVER your invasion forces are fighting—they're working together for victory. They know that they must depend on each other, for only by coordinated teamwork will they win through to final victory in the earliest possible time.

The Fifth War Loan starts next week. It's going to take teamwork—a lot of it—to push this drive over the top. For we've got a job to do. As the tempo of invasion rises every one of us must mobilize for support of our fighting men.

In every city, town and hamlet men and women like yourself have banded together as War Bond Volunteer Workers, giving their time to taking your subscriptions for Bonds. Support them. Give them the kind of teamwork our boys are giving to each other on the fighting fronts!

When you Volunteer Worker calls, double your War Bond subscription. It's their job to help raise \$16 billion of money for victory during this Fifth drive, \$6 billion from individuals like yourself.

Make up your mind to welcome your Victory Volunteer with a friendly smile and an open checkbook—remembering that it's teamwork that does it!

Back the Attack!—BUY MORE THAN BEFORE
