Letters to Editor

To the Editor of
The Carlisle Mercury:

In a communication criticising Kentucky Utilities Company, widely circulated this week, W. L. Sturdevant, director of information for governor Simpson of Ky., declared that T. V. A. (and 128 municipal and co-operating systems distributing T. V. A. electricity) in the 1943 fiscal year paid $3,918,086 in taxes and tax equivalents on a gross revenue totaling $53,729,000.

On the same gross revenue, Kentucky Utilities Company (like all business managed utilities) would have paid about $15,800,000 in taxes, or $11,881,914 more than T. V. A. and its allied systems paid.

Mr. Sturdevant said that T. V. A. also earned a net income of $13,148,853 which "is not called taxes, but ... is the property of the federal government and benefits the U. S. Treasury." It is also used to help meet the costs of government and of war and "is investment in war facilities."

Will Mr. Sturdevant please say when T. V. A. has ever paid one cent of this reported net income to the Treasury?

The T. V. A. is federally owned corporation for the use of government money for practically nothing. The government borrows money at 2½ percent interest from public. Then T. V. A. gets it from the Treasury almost interest free. For example—

Recent reports said the T. V. A. paid $778.29 interest on a $475,566,913 investment in its electric power system—a rate of two tenths of one per cent.

Wouldn't it be dandy if we taxpayers could borrow money at that rate to buy a home or a farm, or to use in our business?

Another recently published report said the federal government has paid $50,000,000 interest on money actually advanced by the Treasury to T. V. A. in the last ten years. Who paid this interest? Not T. V. A., but the taxpayers.

If T. V. A. (and the municipalities and co-operatives it serves) paid taxes and interest on the same basis as Kentucky Utilities Company (or any other privately owned business) these two items alone would have totaled $38,925,111. Thus T. V. A. would have had a loss of $12,479,055, instead of the profit Mr. Sturdevant claims.

When T. V. A. shares fairly with privately owned power systems its cost of government and war, then let T. V. A. advocates compare its electric rates with those of Kentucky Utilities Company!

4-H CLUB WINNERS, LEADERS LISTED

Demonstrations and Exhibits At 4-H Club Program Last Fri. Were Successful

A county 4-H Club program was held at the City School building here Friday, April 28, at 7:30, at which time the girls winning home practice teams and the boy's farm practice teems gave demon.trations of their club work. The girls completing clothing projects presented a style revue from which a "Miss Nicholas County" was selected to represent this county in the District contest to be held at Shelbyhead.

During the day the teams from the various counties gave demonstrations and the girls exhibited and competed for their sewing. The exhibits for the girls exhibits and activities were Miss Ann Buntain Dress Revue, 1st place in 4-H Club for the State, Miss Johnson, of the editorial staff of the Kentucky Farm and Conservationist of the Kentucky Experiment Station, and Mr. G. B. Pruit, State Conservationist of Nicholas county.

AS YOU LIKE IT CLUB

Carlisle, as a town to be known here, has the distinction of having the "As You Like It Club" which is unique in America. I was discussing the activities of the club with a member recently and was told the club was a 40-odd years old, now has 20 members, donated $40 to the Red Cross War Fund, and meets every-other-week. Desiring to know where and how the club originated its name, I was told the practice of the club is to meet and the hostess is given the right to entertain in her own way, in other words "As She Likes It." This practice produces, as you might well guess, a wide variety of type of entertainment and many of the members interested to the extent they are eager to attend the next meeting to see what type of entertainment will be next given. The membership is made up entirely of women, hence it is easy to understand how the entertainment is kept up to such a high point. It is when the kind of entertainment is not known beforehand to the hostess that the popular game for the past ten years has been used.

GODLINESS—CLEANLINESS

With as many church-going folk as there are in Carlisle it is generally accepted that folk here possess a good portion of Godliness, but many of them would resent criticism their loyalty to their religious convictions to be of slightest degree. These folks are all clean in their personal mentality, morals and bodily, and no one doubts that, either. The purpose of this item is to find out some places that might be made cleaner and more healthful especially at this season of the year. Such as the back dump of your store, the back yard at your home, the alleys, etc. It is said that a housekeeper could be judged by one look into her kitchen, and it might also be said that your back yard can be guessed at by looking at your front yard. Weeds, garbage, and any discarded substance around the home should be disposed of as early as possible. Why not have a clean-up day soon in Carlisle? Other towns have such designated days in the spring of the year.

AN EARLY RISER

Recently a rural citizen was telling how he had tried for years to get up with his neighbor across the road who was always ahead of him in everything he undertook to do. Therefore, he decided he would get up early one morning, so he retired very early one evening for the purpose of getting up and going over to John's house before he got out. He awakened the next morning at 1:30 a. m., proceeded to go over and rap on John's door, when John's wife opened the door but "early-riser" asked to see John and was told that he was around the house early that morning, but had gone out some place.

LOCAL MILITIA A 'KNOCK-OUT'

Members of the local militia who went to Louisville last Saturday and acted with other state militia units as guards at the 70th running of the Kentucky Derby, did great credit to their organization here. Each member so conducted himself and carried out orders that the Carlisle group was recognized as one of the best trained organizations in the state.

RED CROSS WAR FUND QUOTA MUST BE MADE

Various chairmen have been notified as to the quota for their respective communities, in a county-wide determination to make the quota, which is now $1050.00 short. Results of community collections will be published in the Carlisle Mercury. The quota as established by the committee are as follows:

Ellisville	160.00
Myers	75.00
Bourbon	75.00
Ellisville	75.00

Chairmen of the drive are asking that Nicholas county do its part on the shortage of [illegible] chairmen of committees members are urged to early emphasize this fact. This committee must be [illegible] the Fifth War Loan Drive starts June 12.

FORMER CHAPLAIN SPEAKS

Rev. Jerold Talbott, of Cleveland, Ohio, was in charge of the service at the Methodist church Sunday evening and gave an interesting account of his experiences as an Army Chaplain in the south Pacific theater of war. Rev. Talbott is the son of "Jimmy" Talbott, formerly of Carlisle, and the grandson of the late Mrs. Alice Gillespie.

JAPANESE SNIPERS GUN ON DISPLAY HERE

Mr. and Mrs. Willie W. Scott, Carlisle, received a Japanese snipers' gun, captured at Guadalcanal by their son, Pvt. Carl C. Scott, who has been in the South Pacific for the past eighteen months. It is on display in the service men's window at the Carlisle Drug Co.

MASS MEETING HERE SATURDAY, MAY 13

Judge Shepherd Calls Upon Citizens To Attend And Express Opinion On Falmouth Dam

A mass meeting will be held in the Nicholas County Court house at 1 p. m. Saturday, May 13, for the purpose of discussing and deciding the stand Nicholas county should take on the proposed construction of a reservoir dam near Falmouth on the Licking river.

The construction of this dam will necessitate reconstruction and relocation of positions of the following:

State routes where they cross the Licking River and the north fork of the Licking River.

US 62 between Oddville and Kentontown.

Ky. 19 between Claysville and Poweellsville.

Ky. 165 between Mt. Olivet and Minerva.

US 62 at Murphysville.

US 68 at Hinton Lick.

Ky. 32 at Myers.

Ky. 11 at Sherburne.

US 68 Salt Lick and Farmers.

Before entering into any agreements with the U. S. Engineers regarding these, it was deemed just and advisable that various communities which would be affected by these changes in the State routes should be made acquainted with the situation and be given a hearing at which time their views might be expressed. Accordingly, a date has been set for the hearing, as of May 16, 1944, 10:00 a. m., at the Commission Room in the State Office Building, Frankfort, Kentucky. All interested people are invited to attend and express themselves.

Three hundred Fleming county farmers met at Flemingsburg last Saturday in protest of the construction of the Falmouth dam. A delegation of 150 representatives were selected to go to Frankfort May 16.

Representatives from Nicholas county will be named Saturday to attend the meeting in Frankfort. All interested farm owners in Nicholas county are urged to attend this meeting in Carlisle Saturday.

MISS BETTY PENNINGTON CROWNED QUEEN AT M.M.I.

Miss Betty Brown Pennington, daughter of Mr. and Mrs. W. O. Pennington of Paris, and formerly of Carlisle, was selected as Queen at the annual Junior-Senior prom held last Friday night at Millersburg Military Institute. She was crowned by Col. W. R. Nelson and presented a sterling silver identification bracelet.

MRS. TILLIE H. FEEBACK

Mrs. Tillie Hamilton Feeback, who has been a member of the Carlisle high school faculty 20 years, has informed the city board of education that she is not a candidate for re-election.
