

Battle Against Disease Goes on Forever

The war against disease is one in which we are unendingly engaged. It is a big war, for the toll of lives taken each year exceeds that of the battlefield. These pictures take us into the laboratory of the U. S. Public Health Service... Battle against disease goes on forever. Left: Doctor in next room has already seen the "weak" Center: The doctor is being checked up by a nurse. Right: This little cup holds the doctor as the doctor was his own dad.

NEWS IN THE WORLD

Recs. especially in religious education for the children. There are now ten trained workers ministering to the people. A somewhat similar work is being carried out in the project near New Britain, Conn. The people are not attending the established churches in any appreciable numbers... The Rev. Leslie H. Ballou, for instance, will stimulate in the members of the church and church school a deeper spiritual interest, and a deeper sense of responsibility to work cooperatively for Christian work.

IT'S THE TRUTH

The greatest depth in the Atlantic Ocean is 20,000 feet, says the Bureau of Oceanography. In Delaware and Maryland the shipping port is still used as a power base for certain firms. The feet of the burning hills are adapted only for peering, as this tiny hole is unable to walk thirty of the 40 states in the nation require professional and official titles in the field. The U. S.
