Creyhound makes you NEIGHBORS with all America!

Does it surprise you to know that 6500 American communities are served by Greyhound Lines . . . In other words, your neighbors? Well, it's true—and furthermore these cities and towns are spread throughout the length and breadth

GREYHOUND is happy to share in a giant transportation system that has helped to knit a closer union of our youthful nation. While we strive today to meet the demands of America at war, we want you to know that we are busy

at the same time planning for your greater travel pleasure and profit in a post-war tomorrow—planning to bring you transportation advancements that reflect the vision and resourcefulness of Greyhound.

Ours is certain to be a still more wonderful land to live in when peace comes.

And your good neighbor of tomorrow may be just across the back sence—or
via Greyhound, just across the continent.

The Kentucky group is part of the national Democrats for Dewey organization with head quarters in Chicago, which believes that the best interests of the Democratic Party can be served by the election of Governor Dewey on November 7. Our reasons for this are briefly:

L'Nov president elected by either party should maintain his term of office through 16 years. 2. The Communist backing and P A C Slush Fund support of the New Deal is unwholesome and un-American.

un-namerican.

3. A postwar anti-New Deal congress set against a New Deal executive would make for a divided spovernment and the same chaotic condition for bringing about lasting peace which followed World War I.
