To The Tax-Payers of Nicholas County:

It has been my privilege to have been appointed by the Fiscal courts of Nicholas County to serve as County Treasurer for a number of years. I desire to state to the Tax-Payers that the financial condition of the County is now in better shape than it has been, to my knowledge, during the last 20 years.

Up until two years ago it was necessary for the different Fiscal courts to borrow money to start the new year. Since then, the Fiscal Court has been able to set aside certain money as surplus.

In my financial statement ending June 30th, there was a surplus of $23,560.90.

Signed,
HARRY KENNEDY,
Treasurer of Nicholas County
Political Adv.
