

# YOUNG AMERICA VICTORY IS YOURS!

### Congratulations On This Day Of Days

Now that your dreams can all come true, and the tears be wiped away, we wish to join in the great song of thankfulness that is swelling from every heart.

The days of agony and waiting and hoping and fearing are over. Our great and glorious country can turn its tremendous vitality and its amazing genius away from the things of war to the shaping of a new destiny for ourselves and the world.

To the fighting men and women who have made this dream a reality; to those who in tears and sweat and blood brought us to victory; to the wives, mothers and sweethearts of our warriors; to the children for whom has been insured a child's right to grow up in a free country—we extend our congratulations. Our America is safe!

# HANCOCK WALLS Paris, Kentucky

has been preparing for this day. During the years of war we met our share of the needs of our fighting men by taking on large Army and Navy contracts. Today, with peace, our planning; has made it possible for us to be back in civilian production on a sound post-war basis.

Jobs must be provided. Realizing this and the fact that there will be unemployment after the war, we prepared to meet this crisis by an expansion program which will provide jobs for additional workers.

Young America women, we now have jobs open and we invite you for an interview any week day Monday through Friday, hours 8:00 through 4:00. Let us help you make your personal victory a practical as well as glorious one.

## NEWS OF KENTUCKY

A general election showed the soil conservation service more than 50,000 acres estimated that private soil conservation districts in Kentucky would have more than 100,000 acres of soil conservation equipment. The state is now in the process of purchasing this equipment.
