Plans to extend and improve farm telephone service

Rural telephone service is more highly developed in this county than anywhere else in the world.

Our first job will continue to be to help win the war in the Pacific, but as we move on to peacetime, we will be busy engaged in expanding this service before the war.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

Our first job will continue to be to help win the war in the Pacific, but as we move on to peacetime, we will be busy engaged in expanding this service before the war.
