

A Letter of Thanks From JOHN F. SUGG County Clerk

"The shouting and the tumult dies," I want to thank you for your support and help in securing for me the position of the office of County Clerk for another term.

It has been my privilege to hold this office a long time, and during that time I have tried to merit the friendship, confidence and support of the people throughout these years. But no matter how hard we strive, it is impossible to remain in public life as long as it has been my privilege to do so and have no enemies. I hope mine are few.

To my many, many friends who have been so loyal and true to me through this campaign and throughout many years of my public life, I again offer you my thanks for your loyal friendship and support.

It indeed gives me great pleasure to know that a LARGE MAJORITY of the voters of Nicholas County want me to be your County Clerk for another term for me in this Primary Election.

I have earnestly endeavored to serve you well. For the past eleven and one-half years I have never been absent from my office one whole day except on Sundays and Legal Holidays, and I assure you it will be a great pleasure to return to the very best of my ability for another term.

Dear friends, I thank you again, most sincerely.

JNO. F. SUGG
