Attention Farmers

JOIN THE FARM BUREAU FOR 1946 AND HELP

MAKE AGRICULTURE A MORE PROFITABLE BUSINESS

The following are some of the things our Farm Bureau has done in the State and the Nation in the first ten months in 1945:

A. Gave all-out cooperation to our Government in its effort to win the war and write a lasting peace.

B. NICHOLAS COUNTY FARM BUREAU SUPPORTED THE KENTUCKY AND AMERICAN FARM BUREAU FEDERATIONS TO GET THESE BENEFITS FOR BURLEY TOBACCO:

1. Acreage Control (Supported and Helped get the Program)
2. Support Prices for all Grades of Burley Tobacco.
3. The Federal Grading System—a Tremendous Help.

C. OPA CEILING INCREASE, AS FOLLOWS:

1. Increase of $8.70, per 100 pounds, for the 1942 crop.
2. Increase of $7.60 more, per 100 pounds, for the 1943 crop, and held the ceilers of selling, ceilings by grades.
3. Despite agitation, ceiling was not lowered for the 1944 crop.
4. Same system of selling and equal prices promised for 1945 crop.

D. ADDITIONAL INCOME FOR NICHOLAS COUNTY TOBACCO GROWERS:

1. The ceiling increase, for the last three crops, averaged $10.70 per 100 pounds.
2. For the 1944 crop, in Nicholas County, this ceiling increase amounts to many hundreds of thousands of dollars.

E. FARM TRUCK LICENSE—don't forget, if you are operating a truck on farm license, you save $25.50 on a 1½ ton truck; $17.50 on a 3/4 and ton truck; and $3.50 on a ½ ton truck.

F. Made continuous efforts to prevent essential farm labor being drafted into military service, and co-operated with other agencies in trying to secure necessary farm labor and labor for allied industries.

G. Cooperated with the National organization in securing an increase in farm machinery for 1945-46.

We believe the above brief report will convince you that the Kentucky Farm Bureau Federation has been on the job in behalf of its members and has rendered a far-reaching, constructive service that has made the membership fee a big investment.

WON'T YOU HELP KEEP UP THE GOOD WORK BY BECOMING A MEMBER OF THE FARM BUR EAU FOR 1946?

GEORGE RANKIN CARTER, President

THE CHRISTIAN'S PLACE IN THE LIFE OF HIS NATION
(Temperance Lesson)

LESSON TEXT: Matt. 5:13-16, 43-48; 2 Peter 3:13-17.
GOLDEN TEXT: Blessed is the nation whose God is the Lord.—Psalm 33:12.

Men make up nations. Human beings in a land form their own destinies by their interests and attitudes the direction in which the entire social order moves. That in turn determines what kind of government we have.

If the totalitarian philosophies have colored our thinking it has caused us to forget the importance of the individual in the life of our nation, let us turn at once to the right view.

Particularly important is the bearing which individual Christians can and should have on our national life. We have tended to draw back and fail to use the power and position which we have by God's grace.

Nowhere does that show more than in our failure (perhaps we should say shameful failure) to bring Christian principles to bear upon the appalling liquor problem. This is temperance Sunday. Do not fail to stress that phase of Christian citizenship today.

How should Christians make their influence felt in the nation? By being what they ought to be and contributing to its life. Note these things in our lesson—the Christian gives:

I. Salt (Matt. 5:13).

We are the salt of the earth, and the pungent savor of Christ is to be evident in us as we touch life round about us—in the church, in the home, and in the nation.

True salt is antiseptic and purifying. It fights corruption wherever it is found. How effective the spiritually salty Christian and church should be against the corrupt political system, the liquor industry, vice and sin of all kinds. Have we lost our savor (v. 13)?

II. Light (Matt. 5:14-16).

A light is intended to give illumination to all round about it. It always does unless someone hides it under a cover, and then it becomes not only useless but dangerous.

A life lighted by faith in Christ will shine to the very ends of the earth and, as a missionary once said, "The light that shines farthest shines brightest at home."

We are the light of the world; but if we cover our light we deny the very essence of our holiness. How is no thought of proud or selfish display. Light does not call about itself, it just shines.

We will deny that there is need of some real spiritual light in some of the dark corners of our national life? Who is to shine in such places but you and me, fellow-believers?

Then, too, let us not forget that God has sent us out to light other lights. We can best serve our neighbor and best meet the challenge of liquor by turning men to Christ.

That doesn't mean that we should neglect other "good works," but it is well to keep "first things first."

III. Love (Matt. 5:43-48).

"Love your enemies" (v. 44); that is the standard which Christ has established for His followers. While the love one has for the brethren is without doubt a more intimate relationship than the love one may have for an enemy, we must not seek to minimize the real love we should have even for those who curse and revile us.

It is to move us so deeply that we not only treat them kindly, but also pray for them. Humanly speaking such a thing is impossible, but in Christ it is not only possible, it has actually been demonstrated in life.

It is so easy for Christians to speak with derision that borders on hatred about "the devil's gang," and to lose all love for the crowd that hangs around the race tracks and the gambling house. Let us hate their sin, but may God help us to show that we really love them.

Love will do more to reach the world for Christ, and more to direct our national life into right channels than any other influence we can bring to bear. Let us do all we can, but let us do it all in love.

IV. Loyalty (1 Pet. 3:13-17).

The loyalty of the Christian to right authority should be glad and free, not by necessity or by coercion.

The believer will see in all men the image of God and will honor them even though he may not be able to respect or approve their way of life. The dignity and position of the individual is always recognized by Christianity.

The brotherhood of true believers should call forth a peculiar love. We need to renew that brotherly affection between believers.

Fear of God, that is, the desire to do His blessed will, shows itself in the best kind of citizenship. Government would serve itself well if it encouraged every effort to win its citizens to Christ.

Letters To Santa

From the four corners of Nicholas county and from every section of Carlisle letters to old Santa Claus are pouring in to the Mercury office after it was made known last week that the wishes of little folk for Christmas would reach the jolly old fellow if mailed here. The letters are being sorted and held for the day when they are to be sent on to the North Pole well in advance of Christmas eve when he will start his flying trip over the country to call on all good little boys and girls. Children wishing to contact Santa through the Mercury should write letters.

P. S. Be sure to show them to Mama and Papa before they are mailed so that they can help with the spelling and right address.
