"Me... I'm staying in the Army!"

There are plenty of reasons... AND HERE THEY ARE!

1. I like to keep my present grade. That means \$4.

2. By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go as an overseas theater job.

3. I get my maturing pay, even though I'm reenlisting. Also, I get \$25 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill benefits when I get out of the Army.

4. My food, clothes, quarters, medical and dental care are supplied to me. I'll have an allowance of \$700 a month for my family allowances for the full term of my enlistment. And I'll be eligible for GI Bill benefits when I get out of the Army.

5. All of us who are reenlisting are going to have 30 to 90 days furlough before we get full pay and our travel paid both ways. And we'll have furlough every year we stay.

6. Any time after 20 years I can write at half pay increasing by year in three-quarter years returned pay until 30 years of service. And the time I've already served is active military or naval service toward my retirement time. Add up your own reenlistment profit now or not!

JANUARY 31, 1946

AN IMPORTANT DATE FOR MEN IN THE ARMY

Men who have been in the Army for 20 years or more should reenlist for 3 years. This will give them the right to pick their own branch of service in the Air, Ground or Service Forces, and can go as an overseas theater job. They will also receive a reenlistment bonus of \$25 a year for each year they have been in the Army. Their dependents will receive family allowances for the full term of their enlistment. They will also be eligible for GI Bill benefits when they get out of the Army.
