For this is America and the nation enters a new period of history as the war in the east draws to a close...

But it is in the quiet hours that the real heart of America is eloquent with a voice that has little sound more than the breath of prayer...

Over there in the still watches of the night sleepers of the hard way with the Jimmies, the Bills, the Georges, the Franks and the Johnnies...

What do the people think of the Japanese war? The answer will come one day from the strained throats of the Pacific...

Most old handbills are collectors items. A recent one for V. V. Jones of Nicholas County...

Second largest fish ever to be caught at the reservoir in Nicholas County...

Miss Virginia Shinn and Elizabeth H. Anderson, wife of Mrs. Miles Hays...

Miss Katherine Taylor and Gertrude Bodey attend State College for summer term...

Harold Gault of U. S. Marine Corps at Quantico, Va. writes Mrs. Dottie Wells and family...

Drake Younger, retired chairman of the American Legion post at Berea...

Dr. C. F. Cowan, chairman of the post-war planning committee...

What is a new word? It is a word that has not been used before...

What do the people think of the Japanese war? The answer will come one day from the strained throats of the Pacific...

ON THE FARM

Prices of Farm Products Higher: Farm products are bringing more money than in any year since 1914...

Light Strawberry Cultivation Best: Light situations without any overhead irrigation proved the best way to grow strawberries...

4-H To Raise More Meat To Boost Output: Government authorities expect that America's 1945 meat production will be 2 billion pounds...
