RED CROSS DRIVE BEGINS MARCH 1

One Hundred Volunteers Begin Campaign To Raise $6,000, Workers Listed

Every individual in Nicholas county will be given an opportunity to contribute to the American Red Cross War Fund of $200,000 with the county having a goal of $6,000, according to Cleary Fightmaster, War Fund campaign chairman.

The campaign will begin today, Thursday, March 1, with more than one hundred volunteer workers contacting the people of Nicholas county. Chairman Fightmaster announces the district chairman and their workers in this week's issue of the Mercury.

The population of Nicholas county is approximately 8,500 and as there are approximately 2,500 families in the county, the Red Cross War Fund quota per family would be $2.40 and the quota per capita would be less than $1.00 per person. Chairman Fightmaster explained. However, if we do not reach the goal of $6,000, all must give generously. The goal must and not be reached unless every person gives according to his financial ability.

Headquarters for the American Red Cross War Fund Campaign will be in the Fightmaster Real Estate office on Main street. The office hours will be from 9 a.m. to 5 p.m. Volunteer Red Cross workers will be in the office during the entire month of March to accept contributions. Don't wait for a volunteer worker to solicit you for the War Fund come in and make your contribution.

Last year the War Fund slogan was "Your Red Cross Is At His Side." This year the slogan is, "Keep Your Red Cross At His Side." Give generously to the War Fund and keep your Red Cross at his side.
