ONE DOWN...
ONE TO GO!

So—let's not *let up* until FULL Victory

Who can blame Americans for going half mad with joy as Hitler's cruel war machine is smashed into the dust! For all who have fought and worked and suffered grievous loss, this hour of triumph is deserved.

But our men are still fighting and dying out there in the Pacific. If we let down now, we'll be *letting them down!*

Let's stick to our war jobs until Uncle Sam says, "Well done—you can relax!"

Let's buy extra War Bonds—they will be needed now, more than ever.

Let's use transportation wisely. Greyhound would like to offer unlimited pleasure travel right away—today—but carrying war manpower is still its most urgent task. You may be sure that Greyhound will lead the field with fine new equipment, new comfort features, new carefree tours just as soon as war requirements permit.

But now—*let's finish the job!*

OBSERVATIONS

WE SEE AND HEAR
By Monty

FROST MAY 11

A very heavy frost was observed early Friday morning, May 11. This frost reminded us that in this column, issue of February 22, Observations predicted there would be frost May 15. Our prediction was scoffed at the time the forecast was published. However, the date was missed by only four days.

V-E DAY—V-J DAY

It was generally understood that V-E Day meant Victory in Europe, which was officially announced on Tuesday of last week. Now we look forward to V-J Day—Victory over Japan. Just when it will come, no one is able to predict at this time.

NOT MUCH DIFFERENCE

Talking about the attitude of the Germans as compared with the Japanese, a soldier stated it about right, when he said, "The Germans went crazy and the Japs were born that way."

TANGLED FISH LINES

I yet have to find a line, string, thread, cord, or rope that can be tangled as completely as a fishing line, seemingly, without an effort, becomes so completely tangled that it requires an overabundance of patience and considerable time to untangle. I doubt if a person could take the line in hand and tangle it as completely in several minutes as it tangles itself in a flash when it comes in contact with another line, rod, or small object.

Alumni Banquet

Frank Scott, a very talented speaker, will act as toastmaster for the occasion. A full program will be published next week.

The P. T. A. will serve the banquet.

JUNIORS ENTERTAIN SENIORS

The Junior class of Carlisle high school entertained the 1945 Senior class and faculty Thursday evening, May 10, with a picture show party and a dance afterwards at the home of Sam Reynolds.

Lovely refreshments were served by the various members of the Junior class. At this time the tradition of electing the most popular boy and girl of the Senior class was carried out. The most popular girl elected was Miss Anna Ruth Owings, daughter of Mr. Clyde Owings, and the most popular boy elected was Gayle Stone, son of Mr. and Mrs. G. K. Stone.

Other elections were: The Wolf of the class most likely to succeed, Armand Weddle, son of Mr. and Mrs. George Weddle, and the pin-up girl, Miss Anne Colliver, daughter of Mr. and Mrs. Howard Colliver.

HEARS HOW SON WAS KILLED

Mrs. Iva McCord has received a message from the War Department giving some details as to how her son, Sgt. George M. McCord, was killed in France.

He was a squadron leader in Co. C, 115th Infantry of the 29th Infantry Division at the time of his death September 16, 1944. An assault was being made on an enemy position at St. Pierre, France, near Brest. Sgt. McCord was leading the squadron across a field when enemy machine-guns opened up on them and he was hit in the chest and died instantly. His body was buried in a military cemetery in France.

Sgt. McCord's unit formed a part of the Ninth United States Army.
