Since being on the subject of foxes, I have fallen to wondering whether there was ever a fox which was not 'wily'. I have heard that Britainers have been known to say after a rest: 'Well, let's get on after the silly fox but I have felt that it was just in a manner of expression rather than an aspersion upon the native wit of an animal. I have also often heard the expression 'foolish like a fox' but such a simile actually means the antithesis of what it stands for. Daney who should be able to make a well come out from an aspersion upon the native wit of an animal. Dear Sir:

You will have to quit sending the Mercury to my office address and send it to the house, otherwise we will lose our job on account of that man Tom Payne.

Every Saturday when the Mercury arrives practically the whole office force gathers around to read Pleasant News. The Mercury is especially interesting. It is a subscription to the Mercury for my wife and I. I am sure that you will be glad to hear that I am still in the service. I am getting a great kick out of the column now appearing in the Mercury.

Congratulations to Tom Payne and his family. Very truly yours,
O. B. L. Norton, stationed at Camp Perry, Ohio, was at home for the week end with his wife and mother and sister.

Mr. William H. Fryman landed in Japan on September 20th, according to word received by his mother, Mrs. Willie Fryman of 1402 1/2 Main St. His address is unchanged.

Mr. and Mrs. J. W. Woodall of the county have received word that their son, R. M. Lee, Berry Woodall, has arrived in New York City and will be home in a few days with the Third Fleet and will be home after Navy Day.

Mr. Albert H. Smoot is spending the winter months in Honolulu, Hawaii. He has been in service for three years, and has been in the service for the last year at the veterans hospital at American Lake, Washington.
