

WASHINGTON LUSTY FOLLOWER OF THE NATIONAL SPORT OF FOX HUNTING

(By Rev. R. G. Bowers)
George Washington was an ardent fox hunter, as well as an ardent horse servant. Long of the hand and of the chin, he looked as one the horse himself from an English cavalry officer. He was a member of the American hunt, and his horse was a member of the hunt.

President, and was prominent in all walks of life. He has been enthusiastic devotee of the chase, as have his descendants. He was a member of the hunt, and his horse was a member of the hunt. He was a member of the hunt, and his horse was a member of the hunt.

The understanding patience of our parsons was an encouraging factor in the Louisville & Nashville's handling of its over-taxing war job, and we want to say "Thanks to you, Mr. and Mrs. Traveler, for your grand cooperation." We are particularly proud of your team.

With the war ended, the travel situation is rapidly improving. While many service men will be traveling—mostly homeward—for months to come, crowded conditions on our railroad have been somewhat relieved.

VOTE YES FOR BOTH

The Good Roads Amendment YES
The Soldier Vote Amendment YES

The Good Roads Amendment will protect your Road Fund from diversion to other purposes. Guarantee that your gasoline taxes, auto license fees, drivers licenses, etc., will be used for highway purposes only and war work.

The Soldier Vote Amendment will give to Kentucky men and women the right to vote in Kentucky elections while away from home doing military or naval service. Our constitution now denies that right. Vote "YES" for the Soldier Vote Amendment and correct this injustice.
