Republican Chairman Urges Support Of Ray Schmaltzh

George D. Scott Sr., Republican chairman of Nicholas county today urged all local Republicans to rally behind the candidacy of Ray Schmaltzh, Ashland, who is running for the Republican nomination as Representative of the Eighth congressional district.

A veteran of World War II, he is a candidate all Republicans should vote for, Scott said, because he will make a very strong candidate against the Democratic nominee in November and is extremely well qualified for the office.

The Nicholas Republican said that in voting for Schmaltzh Nomination Republicans can be assured if he is nominated that the party will be placed in a good position to wrest control from the Democratic party in November. The Republican primary will be held Saturday. Scott reminded voters.—Pol. Adv.

Nicholas County School System To Reopen On September 9th

Opening Date Is Announced For City Schools

The Carlisle city schools will open the 1946-47 session on Monday, September 9, it was announced this week by H. E. Davis, superintendent, who added that the high school faculty will meet on hand Saturday morning Sept. 7, to enroll high school students, and help them in arranging their study schedules.

The school staff, including colored teachers, janitors and lunch room employees, will meet at 10:30 o'clock on the morning of the 9th, he said, for a general discussion of school problems and organization details.

At 9 o'clock on Monday, an assembly program is scheduled and the parents of the community are urged to attend, Davis declared in the announcement.

The football coaches will arrive here August 26 to get equipment lined up and begin practice for the coming season. The first practice sessions will be held in the evenings as that has been the work may have a chance to get in on the preliminaries.

All of the school faculty will return this year, Mr. Davis stated, with the exception of Charles Anderson and Mrs. Glennie Gilley, who resigned at the close of last year's term. Tebay Rose of West Virginia will replace Mr. Anderson as coach and science instructor, and Donald Farr will replace Mrs. Gilley in mathematics instructor. He will also assist Mr. Rose in coaching.

Many improvements have been made and much equipment has been ordered to make the school more adaptable and instruction more effective, Mr. Davis said.

The Board of Education has been trying to get modern toilet facilities installed, but owing to the shortage of plumbing supplies nothing definite has been done. Material will be ordered as it becomes available however, and the installation will begin as soon as enough equipment has been secured.

The windows and doors have been repaired and insulated to make the building more comfortable and to save fuel. New window shades have been purchased for the home economics room and the commerce room to provide for visual education in these last year's term.

A new electric refrigerator and steel filing cabinet have been ordered for the home economics department along with a number of new sets of books.

The commerce room will have a new typewriter added along with new individual typing tables to replace the old ones that are now in use. Three new steel bookcases have been ordered for the library to augment the shelving space. New chairs will also be added to the library when available.

In the lunch room a new double sink has been installed and a new large, commercial electric refrigerator has been ordered. Also a steam table has been contracted for installment. When these new additions are complete the lunch room will be modern in every respect.

Along with all the above improvements two classroom floors have been sanded and varnished and all the rest of the floors which have previously been finished will be given a new coat of varnish.

Sales Reported

The Westfall Realty Co., reports the following sales:

The home of Mrs. Katherine Whalen on North St. to R. W. Neal. Lot on corner of Broadway and North for Virginia K. Augburn of Lexington, to R. W. Neal. House on corner of Elm and Chestnut street for C. R. King, to Henry Clay Caswell.

Farmer Is Injured

W. L. Gudgell, 52, farmer, of Lexington Route 3, was admitted at Good Samaritan hospital late Saturday for treatment of injuries suffered when he caught his right foot in a hay-baler. Possible fracture of the right heel was reported by a hospital attendant.

Mr. Gudgell formerly lived here.

The seven schools constituting the Nicholas county school system will reopen for the 1946-47 term on September 9, it was announced Saturday by Raymond J. Wesley, County Superintendent, following the regular meeting of the Board of Education at the courthouse here.

In addition to setting the opening date for the schools, the board approved contracts for bus drivers and disposed of a number of matters pertinent to school operation during the year.

Superintendent Wesley, who came to Nicholas county from Somerset in May to succeed the late W. B. Dampier, this week furnished The Mercury a report on the condition of the county schools and the progress made during the summer in improvement of needed school facilities. The summary follows:

During vacation time, the board of education has made many repairs and added some equipment to the various schools.

The Myers school has been completely redecorated, having had two coats of white paint applied to the outside and two coats of light cream applied to the inside. The walls were formerly in bad condition and required a large percentage of available light.

Minor repairs have been made at the Carlisle school and almost all of the schools.

Two hundred books furnished by the state, except the fifth grade state texts, have been received, labeled and are ready for distribution at the opening of school.

The board purchased preprimers for the children entering their first year of school. The books will enable the teachers to do an effective job with the beginning reading program.

The tollets and septic tanks of the schools have been cleaned and are ready for the opening of school.

Before the opening of school each building will be cleaned and painted where necessary. Nothing will be put in readiness for the opening day.

Two new electric sewing machines have been contracted for for the Home Economics Department at the Headquarters high school.

Subscriptions have been entered for twenty-five of the best periodical for schools for the department's reading room.

During the year, the schools will receive a number of new library and supplementary books.

In addition to equipment added by the board, the Moorefield school is purchasing a new stove for the classroom and several pieces of playground equipment. The Moorefield P. T. A. has sponsored the lunch program and it is through the efforts of this organization that the stove equipment is being obtained.

The Headquarters school has purchased a large 20 foot refrigerator for the school lunch room program and the Hopkins' electric stoves which will be used in the Home Economics department and the lunch program. The above equipment is to be placed in the school by funds raised by the Headquarters school. The Myers also placed an order with the War Assets Administration for a steam table for their lunch room equipment.

The Nicholas County Board of Education has been successful in obtaining a very competent corps of teachers for the county schools. Several of the teachers have been enrolled in summer courses and will return to their job with more training to do a better job of teaching.

The teachers of the county schools are as follows:

Barterville—Mrs. Texie Rule.
East Union—Mrs. J. E. Snapp, principal; Mrs. Shields Brubeck, intermediate grades; Miss Cordia Bell, primary grades.

Parks — Mrs. John Ferguson, principal; Miss Evelyn Brierly, intermediate grades; Miss Edna Huddleson, primary grades.

Ellisville—Mrs. Rachel Hamm, principal; Mrs. Brooks Henson, and Mrs. Ruth Anderson, intermediate grades; Mrs. Clay Richey, primary grades.

Myers — Miss Effie Anderson, principal; Mrs. Sallie Parsons and Mrs. Pernelia Cameron, inter-

Horse Show Plans Proceeding Rapidly

Preparations for the annual Nicholas County American Legion Horse Show to be held in Carlisle Friday and Saturday, September 13 and 14, were being pushed ahead this week by several committees of the show, it was said, and the event is rapidly attracting the attention of a large number of out-of-town people.

Lee B. Osborne, who is in charge of arranging a printed program for the affair, this week had that synopsis for publication and advertisers and the event. Mrs. Osborne is also in charge of arranging the Central Kentucky, and this project should be completed at a very early date. Among those who have been selling on out-of-town sponsers and advertisers are Billy Lasyon and W. W. Cook, Cynthiana; James W. Miller, Paris; Luther Thompson, Mt. Sterling; Burdette Oliver and Lee Osborne, Lexington, and Billy Frey and W. H. Phillips, Carlisle.

The response has been so good that it will be a hard job to line for advertisers in the catalog has been set at August 21, it was said, and the program will be printed and distributed well in advance of the show.

Noble Jones, who is in charge of arrangements for the horse-pulling contest to be staged Saturday night, Sept. 14, announced that he expected to have about 25 teams participating in the event. He is assisted in this work in contacting prospective contestants by James W. Miller, Nathan Riley, Billy Lasyon, Frank J. Hardesty and G. C. Grover.

Mrs. Osborne is also proceeding with plans for obtaining award ribbons, and Alex Crawford has been contacted to secure several well known orchestras in an effort to provide the best possible music for the dance on September 12. Mr. Crawford promises to have the first real fall dance in Carlisle this year.

Seventeen rings have been scheduled for the horse-show, and premiums are to be awarded to winners, total $1,542.50.

The regular meeting of Marie Chapter, Order of Eastern Star will be held Monday evening, August 19 at 7:30. Mr. Bolling, of Paris, the Deputy Patron, will be present. All members are

Cub Scout Pack To Meet Friday

The recently organized Cub Scout Pack will have its initial meeting Friday afternoon at 3 o'clock at the home of Cub Master Boyd Hamilton and Mrs. Hamilton on Broadway. The Cub scouting program is for boys between the twelve years of age. All boys, interested in becoming Cubs are invited to attend this meeting accompanied by their parents.

Mr. Hamilton says that it is important that all of the boys be present who desire to enroll so that they might be registered and included in the original charter organization.

75 Ponds Stocked By Fish And Game Crew

Between 1500 and 1700 fish were removed from the lake at the Carlisle water plant last Wednesday by a crew from the State Division of Fish and Game, and used in stocking 75 ponds in Nicholas and Fleming county, according to a statement made this week by Chess Shearer, president of the local Fish and Game club.

The crew, which was under the supervision of J. T. Cox, seined only enough fish to need to stock 30 ponds in Nicholas county and 45 in Fleming county, Mr. Shearer said, and the rest fish were lost in the undertaking.

The Carlisle lake has been seined twice this year and over 2,000 fish have been removed and the local club presented. This should make fishing much better and increase the size of the fish.

During the seining operation at the water works lake last Wednesday, J. T. Cox of the Kentucky Fish and Game Division, removed one crappie which was said to have weighed 2½ pounds. The Rev. Hugh Barnett, vice president, presided in the absence of President S. F. Hutchings. Milton Cole served as program chairman.

Resigns Position

Miss Ann Galbraith has resigned her position as Nicholas county extension clerk, effective August 12, it was announced Wednesday.

Grid Season Opens Sept. 20

Carlisle high school's 1946 football season will open on the night of September 20, with Paris high school on the home field, it was announced this week by City School Superintendent H. E. Davis.

All home games will be played at night to accommodate business men and others who otherwise could not attend. Four games will be played at home and prospects at present are good for Carlisle to win her share of this season's games.

The two new coaches are both well qualified for their jobs. Tebay Rose, head coach, has played seven years of high school and college football. During that time he made an outstanding record. Before going to college he was one of the outstanding high school players in West Virginia. After entering Morehead Teachers College he played on the all-state team in 1941 and was recognized by many sports writers to be one of the outstanding backs in the state.

Mr. Rose will be assisted by "Don" Fair who was a college teammate of Rose's. Fair played on the backfield and will be able to give out hop tricks of the game in that department.

Both men have had experience in coaching. Rose was freshman coach in Harlan county and Fair is former coach at Carlisle high and in Ohio.

Superintendent Davis stated he had been able to secure enough new equipment to put a well equipped team on the field with shoulder pads, helmets, pants and balls have arrived and new jerseys are expected by the opening game.

W. R. Crawford, a former star of Carlisle, is back from the service and will be on hand when the whistle blows. Seven letterwinners will return this fall all having gained in height and weight, with plenty of backing from Methodist church. Teams of the Central Kentucky, and this project Carlisle should prove a stubborn foe this fall on the gridiron.

The schedule is as follows:

Paris at Carlisle—Sept. 20.
Somerset at Carlisle—Sept. 27.
Carlisle at Cynthiana—Oct. 4.
Lancaster at Lancaster—Oct. 11.
Georgetown at Carlisle—Oct. 18.
Nicholasville at Nicholasville—Nov. 1.
Stanford at Carlisle—Nov. 8.

Rev. Williamson To Speak Sunday Morning

Rev. William W. Williamson of Portsmouth, Va., will preach in Lit a. m. Sunday in the Carlisle Presbyterian church.

Rev. Williamson, Mrs. Williamson (Virginia Gray) and their two children of Portsmouth, Va., and Mrs. Rose Gulliver of Sarasota, Fla. are guests of Mr. and Mrs. Robert Harper and other relatives here.

On last Sunday night Rev. Williamson preached at the Methodist church.

Col. Nelson To Speak At Blue Licks Monday

Col. W. R. Nelson, head of Millersburg Military Institute, will be the chief speaker Monday at the annual celebration at Blue Licks, it was learned Wednesday.

The event, which is held each year in commemoration of the Battle of Blue Licks, promises this year to attract a larger attendance than at any time since the war, and plans have been made by W. J. Curtis, Museum Curator, to assure picnickers a pleasurable day at the park.

Other speakers will be Russell Perry, Carlisle Park Commissioner, Judge Samuel M. Wilson of Lexington, Circuit Judge Emmett Wilson of Carlisle, Judge Riordon Setter of Maysville will preside on the speaker's rostrum.

The program is to start at 1 o'clock Monday afternoon. The American Legion post of Mt. Olivet will have charge of sandwiches and refreshments during the day, Mr. Curtis said.

Mrs. Hughes Injured

Mrs. Keller Hughes was confined to her bed several days last week suffering from injuries received Thursday evening when she and Mr. Hughes were riding horseback. Mrs. Hughes' horse became frightened and ran away, and she was thrown off on the road.

Eager Crowd Of 600 Attends The Opening Tournament Game

Brubeck Becomes Instructor-Coach At Headquarters

Shields A. (Bru) Brubeck, of Beckley, W. Va., a graduate student at the University of Kentucky, has been employed as coach and director of physical education at Headquarters high school, it was announced Saturday following a regular meeting of the Nicholas County Board of Education.

Mr. Brubeck, who is a graduate of the Woodrow Wilson high school of Beckley, and of Lynchburg College at Lynchburg, Va., is at present enrolled in the graduate school at the University of Kentucky, where he is working toward a master's degree in education.

In addition to his graduate work at U. K., he has been active in membership in the University of Kentucky Alpha Nu Chapter of Phi Delta Kappa, national professional professional fraternity.

During his undergraduate study at Lynchburg, Mr. Brubeck participated in football, basketball and track. He was a first line man on the Lynchburg basketball team that won the Chesapeake Basketball Conference title in 1935. After graduating from college, he returned to Beckley, where he taught and directed athletics. There he developed a very successful basketball team which played the stronger teams in that state including the Charleston team.

In 1941, Mr. Brubeck entered the army as a private and was assigned to the Infantry. While he was stationed at Camp Shelby, Mississippi, he coached one of the regimental football teams and also of their 8 games. After he was transferred to Ft. Jackson in the Panama Canal Zone, he coached a basketball team, which was runners up in the Panama basketball tournament for that area. He served 15 months in the Burma theater and was discharged last November with the rank of Major. He came to the University of Kentucky soon after being discharged from five years of active service.

Mr. Brubeck is married and his wife, who is also a teacher, will be a member of the East Union faculty. She is also a graduate of Lynchburg college and has had eight years teaching experience in the high schools of Virginia. After the close of the summer session at the University of Kentucky, August 24th, Mr. Brubeck will visit their parents in their home in near Salyersville, and Nicholas county on September first.

Enlists In Army

Major John R. McMasters of the Nicholas Recruiting Station has announced Friday that Charles C. McCarty of Carlisle has enlisted in the Regular Army and was sent to Ft. Knox, Ky., for assignment.

J. A. Power, Carlisle jeweler, underwent an operation Tuesday at the St. Joseph hospital in Lexington and his condition was reported yesterday as very good.

Police Court News

Cases tried before Police Judge Herdy Myers this week were disposed of as follows: Glenn McKee, drunk, $10 and costs; Milton Flora, drunk, $10 and costs; Haney R. McCarty, drunk, $10 and costs; Adrian Haney Roubon county, drunk, $10 and costs; Charley McCarty, Bourbon county, drunk, $10 and costs; Estil Burden, drunk, $10 and costs; Fred Reinsmith, drunk, $10 and costs; Lesley Grey, illicit sale of liquor, $100 and costs.

Last week's issue of The Mercury reported that Mitchell Ritchie of Carlisle was fined $100 and costs on conviction of the illicit sale of liquor. Mr. Ritchie was fined under KRS. 243.020 which states that "No person, conducting a place of business patronized by the public, who does not hold a license to sell distilled spirits and wine by the drink, shall permit any persons to sell, barter, loan, give away or drink distilled spirits of wine on the premises of his place of business." Mr. Ritchie was not convicted of selling liquor personally.

Brubeck Becomes Instructor-Coach At Headquarters

Shields A. (Bru) Brubeck, of Beckley, W. Va., a graduate student at the University of Kentucky, has been employed as coach and director of physical education at Headquarters high school, it was announced Saturday following a regular meeting of the Nicholas County Board of Education.

Mr. Brubeck, who is a graduate of the Woodrow Wilson high school of Beckley, and of Lynchburg College at Lynchburg, Va., is at present enrolled in the graduate school at the University of Kentucky, where he is working toward a master's degree in education.

In addition to his graduate work at U. K., he has been active in membership in the University of Kentucky Alpha Nu Chapter of Phi Delta Kappa, national professional professional fraternity.

During his undergraduate study at Lynchburg, Mr. Brubeck participated in football, basketball and track. He was a first line man on the Lynchburg basketball team that won the Chesapeake Basketball Conference title in 1935. After graduating from college, he returned to Beckley, where he taught and directed athletics. There he developed a very successful basketball team which played the stronger teams in that state including the Charleston team.

In 1941, Mr. Brubeck entered the army as a private and was assigned to the Infantry. While he was stationed at Camp Shelby, Mississippi, he coached one of the regimental football teams and also of their 8 games. After he was transferred to Ft. Jackson in the Panama Canal Zone, he coached a basketball team, which was runners up in the Panama basketball tournament for that area. He served 15 months in the Burma theater and was discharged last November with the rank of Major. He came to the University of Kentucky soon after being discharged from five years of active service.

Mr. Brubeck is married and his wife, who is also a teacher, will be a member of the East Union faculty. Gas Supply For Carlisle Is Assured

A readily-available supply of natural gas for use in Carlisle homes and industries as well as establishments appeared to be assured this week as the Bluegrass Construction Company of Texas, which currently is laying a gas pipe line through Nicholas county, expressed a willingness to *use in this city.*

The pipe-line being laid in this county, it was learned, is a booster to a main line already in operation and as such, may be used, a representative of the construction company said, in providing wholesale gas to nearby communities. The "booster" line is a 66-mile stretch, and when completed will run from Means, Ky., in Menifee county, to Cincinnati. The main pipe stretches out to the Eastern seaboard.

Whether distribution of retail gas to Carlisle will be undertaken by the city or by a private organization will depend upon action to be taken by the City Council in the near future. The Council already is considering a plan for turning control of the project, and plans to conduct a survey of the city to determine the number of potential consumers the gas system would have, a Council member said, before it would be necessary in order to undertake retail distribution, it was said.
