PUBLIC AUCTION

APPLE ORCHARD IN FULL PRODUCTION

SATURDAY, AUGUST 24 AT 10 A. M.

Sale to be held on premises located 13 miles east of Carlisle, 5 miles east of Moorefield and in the "city limits" of Millstone, Ky. The orchard is in sight of the Licking river and Gilt's store.

Boundary contains 7 acres or more of good productive soil, upon which 5-0 Red and Golden Delicious Apple trees are now heavily loaded with their fruit. These trees are all better than 20 years of age and were planted by an orchard expert. The financial possibilities of this orchard are very bright indeed. Illness of owner only reason for selling.

This boundary would also make an excellent camp site, located on the banks of the Licking, yet high enough to be completely beyond flood stage.

Come out and look this proposition over. Remember "An apple a day keeps the doctor away" but the owner of this orchard would have neither physical or money worries.

Work On New Grocery To Begin Today

A crew of workmen from the Smith Construction Company, of Winchester was scheduled to begin work this morning on the foundation for the building which will house the Sandy Valley Grocery Company, here, a representative of the construction firm said yesterday.

The project, which was estimated to be a $12,000 job, is expected to be completed within 30 to 40 days, it was said. The one-story building, when finished will measure 60 x 100 feet, and will be located at the intersection of East Main street and the East Broadway extension, the site formerly occupied by the old Continental Warehouse. The old building was purchased by the grocery concern from Arthur Taul of this city, and was torn down several months ago to make room for the new structure.

The Sandy Valley Grocery Company is a wholesale concern widely known throughout Kentucky and will handle a general line of grocery merchandise here, it was stated.

Nicholas Farmer Found Dead In Boat

Jacob Bishop, 68, Nicholas county farmer who liver near Jacksonville, was found dead at 9 a. m. Saturday in his row boat on the Licking river about a mile from his home.

His body, with the head and shoulders submerged in the stream, was discovered by Park Crump and Earl Shingleton, neighbors, who had started early in the morning for him after he failed to return to his home after leaving at 4 a. m. for the river. He had assured his wife that he would be back shortly. Coroner M. C. Shearer attributed the death to a heart attack.

A member of the Stony Creek Christian church, Mr. Bishop was the son of the late Mr. and Mrs. Lizanne Vaughn Bishop. Surviving are his wife, Mrs. Sallie Crawford Bishop; a two-month-old daughter, Sallie Kay Bishop; two daughters by a former marriage, Mrs. Roger Burden, Cincinnati, and Mrs. Mollie Bryant Akron, Ohio; two brothers John B. Guard Unit To Be Activated Here Friday Night

Cannon company of the 149th Infantry Regiment—the Nicholas county component of the now-forming 38th Infantry Division, National Guard—will be activated Friday at the Armory, according to an announcement this week by Capt. W. R. Buntin Jr., who will command the organization.

During the activation exercises the new unit will be inspected by officers from the state Adjutant General's office at Frankfort. A formal ceremony, to be held at a later date, will be conducted by Regular Army officers from Fort Knox.

Asserting that the new organization will need and welcome the active support of all returning veterans, Capt. Buntin pointed out that new enlistments will enable men to make it necessary for men from 18 to 29 to have had previous military experience. Persons in this age bracket are required to present a certificate of honorable discharge at the time they join the National Guard organization. Men 29 or older need not have prior military service, he said.

Equipment allowances for the local unit have been announced recently. Capt. Buntin said, and the Cannon company will now be equipped with tank destroyer mounting 105mm guns.

Stating that the new guard organization is expected to have the largest enrollment in Nicholas county, Capt Buntin added that pay rates for members will vary from $2.50 to $3.00 per drill night. He invited anyone interested in joining the unit to consult him anytime at Buntin's Garage on Elm street, or on Monday nights at the Armory.

The table of organization for the Cannon company includes a variety of specialized duties, he said, and persons qualified in anything from athletics to driving a motor mechanics will be able to find a satisfactory place in the company.

Capt. Buntin and Lt. Charles C. Shrout were appointed officers of the company Sunday in Frankfort.

Buys Property

Mrs. Lola Davis purchased recently a house and lot on Dorsey avenue from Mrs. Ruth Brunsden of Dayton, Ohio. The price was not made public.

Gets U. K. Degree

John Hopkins, son of Mrs. W. B. Hopkins of this city, was among those to receive the Bachelor of Arts degree Friday night at commencement exercises at the University of Kentucky.

He was discharged from the U. S. Naval service after Sept. 15, 1944, must also attach NAVPERS Form 553 (certificate of service) to his application.

According to the 1946 Act, leave will be computed at the rate of 2½ days for each month of active service, and may accumulate in an amount not to exceed 120 calendar days. Pay

Certified copies of discharge certificates may be obtained and application forms may be notarized at the County Clerk's office in the courthouse. County Clerk John F. Sugg on Wednesday had made only 30 copies to date.

will be on the basis of base and longevity pay applicable on Aug. 31, 1946, or on the basis of pay and allowances for longevity applicable at the time of the veteran's discharge if prior to that date.

Former enlisted men will receive an allowance of 70 cents per day for subsistence, and enlisted men will be placed in pay grades will also receive $1.25 per day for quarters allowance, provided they have dependents at the time of discharge.

The law provides that settlement will be made in the following manner:

(a) Where the amount due is less than $50 payment will be made entirely by check.

(b) In the case of former enlisted persons who were last separated from the service before the first day of January 1, 1943, the payment of the entire amount due will be made by check.

(c) When the amount due is $50 or more, settlement will be made in United States bond to the highest multiple of $25, and any remainder in excess of such amount will be paid by check.

Hotel Purchased

The Henderson Hotel on west Main street, owned by Mrs. Everett M. Smith (Frances Turpin) was sold Friday to R. B. Smith and Cleary Fightmaster, at a private price.

Mrs. Clay Richey, for the last eleven years a primary teacher in the Ellisville school, resigned last week.

Telephone Employees To Hold Picnic

Members of the Association of Telephone Company employees from Paris, Cynthiana and Carlisle will hold a picnic and business meeting tonight at the Carlisle water works lake, it was announced by Archie Crump, local plant chief. Mrs. Shirley Boone of this city is in charge of arrangements for the affair, which approximately 35 persons are expected to attend.

Terminal Pay Forms Available

Printed forms for the use of veterans in applying for unused leave pay under the Armed Forces Leave Act of 1946 were available at all, Nicholas county post offices this week, and employees at the Carlisle post office said that only a small number of the blank forms had been called for yet.

Although the forms bear instructions sufficient to enable the veteran to fill out the necessary information unaided, assistance in preparing the application will be available on September 5, when Larry Miller, representing the Kentucky Ex-Service Men's Board at Lexington, will visit Carlisle for that purpose.

All veterans who have questions regarding unused leave pay will be urged to consult Mr. Miller at that time.

The application form, which is officially titled "Claim for Settlement—Unused Leave," may be filled out by the veteran himself according to instructions which appear on the back of the form. An original or photostat copy of the veteran's copy of honorable discharge or separation papers, or certificate in lieu of that, must be attached to the application. The application must be sworn to before a notary or other person authorized to administer oaths and must be mailed, with the discharge document, to the address indicated on the back of the form. This address is determined by the state in which the veteran was separated from the service.

Persons discharged from the U. S. Naval service after Sept. 15, 1944, must also attach NAVPERS Form 553 (certificate of service) to his application.

According to the 1946 Act, leave will be computed at the rate of 2½ days for each month of active service, and may accumulate in an amount not to exceed 120 calendar days. Pay

Wesley Tells Of Lunch Program

(By Raymond J. Wesley, County School Superintendent)

Only a few short years ago, one associated with the word "school" a teacher, the children, books and a hickory stick. The teacher, by proper use of the hickory stick, taught the children the contents of the books. Today the word "school" has a broader association of terms. In many places the children have the very best advantages that can be provided. Among those is the school lunch which has been a great aid to the learning process than the hickory stick.

If the school lunch program has been an aid to the learning process, it can be justified as a part of the school program. Although the program is relatively new, it has a long way to go, there are at least three contributions that it has made to the success of the school, namely:

1. Provided nourishing food for health.

2. A means for increasing attendance.

3. A natural means for teaching better eating practice.

Most of us are aware of the fact that there is no time in the life of the individual when proper nourishment is as important as during the growing period of childhood. The period that the child needs three well balanced meals each day to provide for his growth and energy. Many parents, and even educators, have felt that the school lunch program was for the underprivileged and under nourished children who were financially unable to provide an adequate lunch. This conception is far from the truth; children who have plenty of money for their lunch generally spend it unwisely for food and drink which is injurious to their health. Therefore, the purpose of the school lunch program is to provide a nourishing lunch for every child at a reasonable cost. There is no doubt that a child who has food that provides for good health and plenty of energy, does better work in school.

Records of attendance have been compared in schools before the lunch program was adopted and after the program was in operation. The records have indicated as much as 15% increase in school attendance after the lunch program was in operation. It would probably result in a misconception to conclude that attendance was increased because children came to school to get something to eat. A more reasonable conclusion is that the attendance was increased because the children had three well balanced meals each day which provided for better health, more

Homemakers Attend Fleming School

Seven Nicholas county Homemakers, accompanied by Home Demonstration Agent, Dorothy C. Rowe, attended a district clothing leaders training school Monday at Flemingsburg. The training school was conducted by Miss Dorothy Threkeld, clothing specialist from the University of Kentucky, who told the women that textile and apparel production is gradually increasing. She also described style trends for the fall.

Those who attended the school were Mrs. Naomi Cook, Mrs. Ada Rowe, Mrs. Albert Hamilton, Mrs. Kenneth Stephenson, Mrs. J. B. Linville, Mrs. George Carter and Mrs. J. W. Kenton.

Canvas Of Gas Users Progressing

Volunteer workers this week were engaged in a house-to-house survey of Carlisle to determine the extent to which gas would be consumed in the event a gas system were installed locally.

An unofficial estimate disclosed that approximately 95 per cent of those persons already interviewed were strongly in favor of a gas system, and it is expected that when the canvass is completed a majority of Carlisle residents will have expressed a desire to use gas when the supply becomes available.

Legion Will Hold Fish Fry Aug. 30

The annual fish-fry of Nicholas County Post No. 17 of the American Legion will be held at 6 o'clock Friday night at the Carlisle Lake, it was announced this week by Billy Lawson, post commander.

A committee composed of Martin Judge, Willie W. Cook and Luther Thompson is in charge of arrangements for the food, and a large gathering of local Legionnaires is expected to be present.

Invitations to attend have been sent to State Adjutant Tom Haydon and to State Service Officer Claude E. Sprawls, according to Lawson, and plans were in progress to obtain a well-known speaker for the meeting.

Mr. Judge said that 175 pounds of yellow salmon have been purchased for the feast, and the bill of fare will also include a generous quantity of corn-bread, he added.

Committees for the various duties connected with the Legion's horse show here Sept. 13-14 will be appointed during the evening it was said.

Wednesday Closings Ended Yesterday

Carlisle stores and offices which during the summer have made a practice of closing on Wednesday afternoons will resume normal Wednesday business hours next week, it was announced yesterday.

Most local business establishments, however, will remain closed all day Monday in observance of Labor Day.

Horse Show Catalog Ready For Printing

The catalog for the annual Nicholas County American Legion Horse Show to be held here September 13-14 had been completed and was being made ready for printing this week. The booklet, which will consist of approximately 40 pages, will be attractively bound in the American Legion colors of gold and blue, and will contain information on all the features of this year's event.

When completed, the catalog will receive wide distribution among horse exhibitors over Kentucky and it is expected to be the means of attracting a very large attendance to the show in September.

Meanwhile, arrangements for other features of the event, including the horse-pulling contest, and the dance to be held at the Armory on Thursday night, Sept. 12, were virtually completed, it was said, with the dance which will be under the supervision of Alex Crawford, to be furnished by the Kentucky Kavaliers of Maysville.

Rotarians To Visit Cynthiana

Members of the Carlisle and the Millersburg Rotary clubs will attend a fish-fry and get-together to be given in Harrison county tonight by the Cynthiana club.

At the regular meeting of the local Rotary club on Thursday night, the Rev. Bob Green of Millersburg gave an account of the district convention held recently in Corbin.

Soft-Ball Tourney Ends Aug. 28th

Headquarters walloped Maysville, Parks and Georgetown 16-6 in a double header Wednesday night to advance to the final round of the Carlisle invitational soft-ball tournament. The pitching of Ted Snapp and the fielding and hitting of Roy Snapp were features not only of these games, but of the entire tournament. Ted went the entire distance in both games of the double header while striking out a total of 18 men. He reached supreme heights in the early innings of first game when he struck out the first ten men to be retired of the opposing team. Aside from pitching, Snapp played the outstanding ball of the tournament so far. He fielded sensationally and made six hits out of eight times at bat, including a double, triple, and home run. Following is a list of the outstanding hits for each team in the tournament to date. For Park, Violet 3 hits out of four, Lyons 4 for 6, Herbert 2 of 4, four, Lsallen 3 of 12 including a home run. Mc Sterling 1 for 4, Mc-Millsberg, Hamilton 4-7, 0. Florence 4-8 including a triple, and Schu 3-7 including a home run. Winchester, Hodge 2-3, Dept. W. Stephenson 4-8, Jim Richie 5-12, E. Stephenson hit two home runs in one game. Maysville collected seven hits out of three times at bat. Georgetown's Headquarters, R. Snapp 6-8 including a double, triple, and home run and Miller 4-9 including a triple. Clarke and Frey, no player got more than one single. Signal Depot, no hits.

In what appears to be the end of the Nicholas County League games Burterville defeated the Militia 8-5 Thursday night and the Legion 20-12 Friday night. Clarke and Frey was supposed to play Headquarters and Militia respectively on those two nights, but did not have enough players to take care of the games.

Red Osborne says the rest of the league schedule has been cancelled because the teams, players, spectators and weather have all lost interest. Also and perhaps the best reason of all, the Carlisle baseball team wants the field for practice at night.

Scouts Will Collect Paper

Mrs. Frank J. Hardesty, local girl scout leader, has announced that Carlisle girl scouts will collect scrap paper in town on Saturday, August 31. Persons having paper to contribute are asked to have it ready by 9 a. m. Scrap paper from the county may still be brought to the ice plant.

1,914 Voters Receive Purgation Notices To Date

The Nicholas county purgation board, composed of H. T. Letton, Sheriff John W. Anderson and George D. Scott Jr., this week had completed their initial inspection of the county registration books and had directed notices mailed to 1914 voters whose names were recommended for purgation from the voting lists.

County Clerk John F. Sugg has completed the mailing of these notices and a final check-up by the election commissioners who compose the purgation board, will be made beginning Friday and will continue until the work is completed.

Most of the notices, Mr. Sugg said, were sent to voters who have moved away from the county or who have moved from one precinct to another and are now registered in the wrong precinct.

Some estimated 40 or 50 married women, he said, are still voting under their maiden names, and these were notified to re-register under their proper married names.

In addition to the 1914 voters mailed notices, it was estimated that about 800 voters or persons now deceased would be stricken from the lists.

The number of voters from each party taken from the voting lists was not disclosed this week, but will be made known later, Mr. Sugg said. He estimated that a total of all voters removed will amount to approximately 2700.

Only ten persons, the County Clerk disclosed, have made objection to the purgation of their names, and these, he added, objected merely because they still had interests in the affairs of their home precincts.

Persons who wish to cast a vote in the November election may register at the County Clerk's office until 5 p. m. September 6.

Mr. Sugg requested all persons who have received purgation notices to bring the notices with them if they could give reasons why their names should not be stricken from the lists.

A total of 51 persons have registered since the registration books were opened on August 14, Mr. Sugg said.

Attended Meet At Grand Rapids

Miss Nancye Whaley and Miss Marie Shrout, both of Carlisle, were in Grand Rapids, Michigan, attending the 3rd National Convention of Methodist Youth Fellowship in session there Aug. 24-29.

Almost 2000 young people between the ages of 15 and 23 were registered at the session, which attracted delegations from every state
