500 Expected At Bureau Meeting

Eldon S. Dummitt Will Address Group

Approximately 500 persons are expected to attend the 14th annual meeting of the Nicholas County Farm Bureau to be held at 7 o'clock Friday night in the auditorium of the Carlisle city school, according to a statement released by Bureau President J. A. Standiford this week.

Eldon S. Dummitt, state attorney general and one of Kentucky's outstanding speakers, will deliver the principal address, after which a sound motion picture, "Helpful Henry,"—a comedy depicting the difficulties encountered in farming by a city boy—will be shown the gathering.

In announcing the forthcoming meeting, Standiford explained that although it was customary for the Bureau to stage a dinner for its annual meeting, the growth of the organization during the last year and the limitations on facilities this year made such a dinner impossible. Every effort, however, would be taken to provide an attractive and entertaining program for members at Friday's meeting, he said.

Officers and directors will be elected for the coming year at Friday night's session, and in addition to the president, two offices of vice president, now held by B. C. Clark, and that of secretary, now held by C. C. Crockett, will be filled. The group will also elect a representative to G. C. Grover, chairman at present of the Associated Women.

The Bureau will elect a number of new directors at the meeting, the directors whose terms will expire Friday are G. C. Grover, Howard Sidle, H. T. Letton, B. C. Clark, Sterling Blake, W. J. Clark, Thomas Glover and Henry Clark.

Other incumbent directors whose terms extend through 1947 are George E. Carter, Luther Holder, W. E. Power, Frank C. Henry, C. T. Wade, J. W. Butler, Fred Day and Mrs. J. A. Standiford representing the Associated Women.

The Nicholas County Farm Bureau has grown from a membership of 104 in 1943 to over 400 for the coming year. Membership in 1946 totalled 284. The steady growth of a county farm bureau Standiford commented was indicative of increasing cooperation of farmers as a group.

The Nicholas organization, he pointed out, has supported on a state and nationwide basis many worthwhile activities designed to improve the welfare of Kentucky farm people. On a county basis it has supported 4-H Club work, a 4-H Camp, the recently-started county fair here. The Bureau aided in organizing the first 4-H Centers field day and picnic, and also helped in the purchase of a three second motion picture machine which has been used to advantage in educational activities for farmers in Nicholas county.

An invitation has been extended by President Standiford to all Bureau members and their families to attend Friday night's annual meeting.

Rotary To Fete Carlisle Squad

Members of the Carlisle high school Musketeer football squad and their coaches will be guests of honor at a dinner-meeting of the local Rotary club to be held here tonight.

Ellis Johnson, athletic coach at Morehead State Teachers College, will be the principal speaker on the program, which was arranged by M. C. Shearer.

A turkey dinner has been planned for the dinner, it was announced.

Game Club Meets Tonight

The Nicholas County Fish and Game Club will hold a regular meeting at 7:30 o'clock Thursday night at the courthouse, it was announced by M. C. Shearer, president. Plans for the formation of a gun club will be discussed.

Auxiliary Meeting Postponed To 13th

The December meeting of Nicholas Unit No. 17, American Legion Auxiliary, originally scheduled to be held Friday this week, has been postponed to Friday, December 13, because of meetings of other organizations slated this week.

County Schools Have Enough Coal; City School Short

Questioned Tuesday concerning the likelihood of a school closing in Nicholas county in the event of a prolonged coal strike, County Superintendent Raymond J. Wesley stated that all county schools with the exception of one had an ample supply of fuel for the entire winter.

Headquarters—the one exception—had sufficient coal, he said, to last until about the middle of February.

The Carlisle city school, however, has only enough coal to provide heat for about three weeks, it was learned from Superintendent E. E. Davis, Tuesday.

Headquarters Licks Salt Lick

A divisive Headquarters high school basketball quintet proved the bane suffered at the hands of the Paris Greyhounds last night, when they edged out a visiting Salt Lick team for a 37-34 victory. Nicholas county's schoolboy seventh victory in eight games.

The game was a close one throughout, with Headquarters leading by 5 at the end of the first quarter, and trailing 13 to 17 at the half-time. In the third stanza the local team was again ahead 23 to 21, but by the end of the period Paris was ahead for a four-point victory.

Hudnall and Bartlett led the way for Coach Brubeck's netmen, tallying nine points each for the evening. Hayes, Salt Lick center, paced his team with 14 points.

Headquarters will meet Maysville in their next game Friday night.

Tuesday night's line-ups:

Headquarters (37)		Salt Lick (34)
Hillock (7)	F	(6) Cassidy
Brady (8)	F	(11) Norris
Bartlett (9)	C	(12) Finley
Kendall (2)	G	(2) McKenzie
Hudnall (9)	G	(3) Ingram

Substitutions: Headquarters—Reed (0), Pumphrey (0), Hall (0), Perry (0), Wright (0). Fraley (1). Referee: G. B. Pruitt. Carlisle.

City Council Grants Permits

Members of the Carlisle City Council, meeting at their regular monthly meeting here Monday night, granted renewals of the licenses of the city's three pool-rooms, and agreed to grant Allen Davis of Carlisle a license to operate a taxicab here.

City Clerk Arthur Mullikin reported that fines accessed in police court here during November totalled $155, of which amount $51 has been collected. The remaining $104 has been appealed, he said. Mullikin stated that tax collections for the city had been made, and announced that most license fees in Carlisle had been collected this month.

Mayor W. C. Talbert presided at the session, for which all councilmen were present.

200 Contributions Received In Seal Drive In County

Out of 679 letters containing Christmas seals mailed out to residents of the county by the Nicholas County Tuberculosis Association, a total of 20 0had been returned with contributions the week, it was reported by Miss Kathryn Hanley, association member.

The Christmas seal drive, which was launched here November 25, under the direction of Association Chairman Charles M. Cox, will terminate on Christmas, but contributions to the tuberculosis drive may be accepted at later times, it was said.

Members of the Nicholas County Tuberculosis Association, in addition to Chairman Cox, are Mrs. Henry A. Palmer, Dr. J. T. Morford, Mrs. Bertha Westfall, the Rev. Ralph Thomas, Paul Garrett, Earl Van Bever, Miss Hanley, Charles Mathias and Roger Womack.

Woman's Club To Meet At City School

The Carlisle Woman's Club will hold its next meeting at 2:30 o'clock Friday afternoon in the city school auditorium, at which time the Millersburg Military Institute glee club, under the direction of Capt. Siwicki, will present a program of vocal music.

Hostesses will be Mrs. A. V. Allison, Mrs. William Straw and Mrs. James Williams.

Births Outnumbered County Deaths By 49 In 1945

During 1945 Nicholas county deaths totalled 96 as compared with 135 births, according to information released last week in a bulletin issued by the State Department of Health.

Of the number born, 63 were white males, 62 white females, four colored males and six colored females. There were two sets of twins born in the county during the year.

Statistics relative to deaths show that there were five infant deaths under one year of age; no deaths between the ages of 1 and 4 years, and 10 deaths 90 years old and over.

Heart disease was shown to be the leading cause of death, with 28 listed. Eight persons died of cancer, five of tuberculosis, five of pneumonia. Two deaths were reported as having occurred by homicide with firearms, and one accidental drowning and one suicide were reported for the year. Three persons met death in motor vehicle accidents, according to the summary.

The death total included 81 white and five colored.

The health department estimated Nicholas county's population in 1945 at 6,809 white and 416 colored.

Paris Weekly Is To Conduct Survey Of Voter Sentiment

The Paris Kentuckian-Citizen, published weekly at the Bourbon county seat, made announcement last week that it will conduct a state-wide survey to determine voter preference for the next Democratic nominee for governor.

The canvass, which will undertake a sampling of approximately 10,000 voters in Kentucky, will be undertaken at a very early date, the Paris newspaper announced, and will make use of postcards upon which will be listed a group of possible gubernatorial candidates.

Elaborating on the plan for the survey, the Kentuckian-Citizen said:

"The method through which the sampling will be accomplished is one which was developed some years ago in Kentucky and which has been brought to a degree pronounced to be "uncanny" by those who have been associated with the management of the poll. In the Donaldson-Willis race, the final result was within less than one per cent of error. The same accuracy was shown in other state political races. In the primary race between Keen Johnson and Earle Clements, Democratic governor and lieutenant governor, which was commented upon repeatedly by the late J. Howard Henderson, of the Courier-Journal staff.

"The Kentuckian-Citizen feels that it is performing a public service in undertaking to supplement activities of the Carlisle poll was suggested by McCurry and passed on to the assembly for consideration and discussion at a later meeting.

Poe, who has served as acting commander of the local group since its tentative formation several weeks ago, announced in accepting his office, that the first project of the Lloyd George post would be a vigorous membership drive with a goal of acquiring 100 per cent membership. This period of the chartering of the post, he said, will terminate on March 2, 1947.

Square Dance For USO Slated Here Friday, 13th

Members of the Rev. Nicholas county chairman for the current drive to raise funds for the USO, announced this week that the USO committee would sponsor a square dance at the Armory in Carlisle on Friday night, December 13.

Proceeds from the dance, he said, would be turned over to the USO.

Carlisle P. T. A. To Meet Dec. 11

Members of the Carlisle Parent-Teachers Association will meet at 7:30 o'clock Wednesday afternoon, Dec. 11, in the city school auditorium, it was announced Wednesday by Mrs. A. V. Allison, president.

Miss Nancye Talbert of the city school staff will have charge of the program, Mrs. Allison said.

Soil Conservation

Terracing is in progress on the farm of J. W. Miller. Maintenance of the terraces which were built in 1944 is being done by Miller and Mrs. Beside Lee is being done as a district improvement.

The Veterans class at Headquarters school visited the farm of Miller Wednesday afternoon for a demonstration of terrace construction. The class was under the supervision of Mr. Spradlin and Mr. Williams, agriculture teachers at the school.

Mr. Miller has an excellent example of soil erosion control by the use of terraces. Many Nicholas and Bourbon county farmers have visited the farm and inspected the terraces.

Five acres of meadow fescue which was seeded early this fall on the farm of Mr. Miller is thriving. Mr. Miller is producing this crop of fescue for seed.

Poe Chosen VFW Commander Here

Organization Named For Lloyd George

Teddy Poe was elected commander of Lloyd George Post No 8686, Veterans of Foreign Wars, at a charter meeting of the Nicholas county organization held at the courthouse here Monday night.

The meeting, which was the local group's first official business session, was conducted by W. R. McCurry, commander of the Henry A. Lucas V. F. W. post in Lexington and national chief-of-staff, who explained the functions of the national organization. He administered the oath of office to newly-elected officers of the Carlisle post.

Other officers chosen by the veterans organization at their initial charter session were: Robert Barnett, senior vice commander; Everett Stephenson, junior vice commander; Henry C. Caswell, quartermaster; Charles M. Crane, chaplain, and Elmo Marshall, surgeon.

The following officers were appointed by Commander Poe: Walter Huddleson, sergeant major; Donald Fair, two-year trustee; John Hamilton, three-year trustee; Charles M. Cox, adjutant.

Approximately 80 charter members of the Nicholas post were in attendance at Monday night's session, and post officials declosed that a large number of prospective members not present had indicated an intention to join the overseas veterans' group very soon.

The Nicholas post has been named in honor of Lloyd George, son of Mr. and Mrs. Sam H. George of the Parks Hill section of this county, who was the first Nicholas county serviceman to lose his life during World War II. George was killed in action in northwest Africa in January, 1943.

A proposal to form a women's auxiliary to supplement activities of the Carlisle post was suggested by McCurry and passed on to the assembly for consideration and discussion at a later meeting.

Poe, who has served as acting commander of the local group since its tentative formation several weeks ago, announced in accepting his office, that the first project of the Lloyd George post would be a vigorous membership drive with a goal of acquiring 100 per cent membership. This period of the chartering of the post, he said, will terminate on March 2, 1947.

Lewis Fined $10,000 On Contempt Count

Washington—Striking soft coal miners were fined $3,500,000 and John L. Lewis $10,000 personally Wednesday for contempt of court in ignoring an order to observe their government contract.

The fines were imposed by Federal Judge T. Alan Goldsborough after an uproarious court session in which union lawyers assailed the government's recommendation that the miners be fined $250,000 a day for the 14 days of the walkout.

May Send Gas Representative To Washington

The city councils of Carlisle and Sharpsburg, both desirous of doing everything possible to obtain a supply of natural gas for their respective municipalities, this week had agreed to employ a representative to be sent to Washington soon to investigate possibilities for federal approval of a gas-line project here.

The representative—Hugh Beardon of Lexington—will be employed for the job if a third city Falmouth, decides to cooperate with Carlisle and Sharpsburg in determine the probability of federal approval in the event the three cities seek in the future to obtain a certificate establishing their rights to a gas supply.

The Central Kentucky Natural Gas company, owners of a gas pipe-line laid through this county, this summer, cannot permit a tapping of their line, which extends to Cincinnati, until the would-be consumer cities can furnish a Certificate of Convenience and Necessity, from the Federal Power Commission in Washington, according of C. W. Gates, manager of the Mt. Gox.

Agreement was reached on the proposal by Carlisle and Sharpsburg following council sessions in the respective cities this week, and no word had been received late Wednesday concerning Falmouth's position on the matter.

Wesley Reports On Nicholas Schools

Attendance, which has been the primary concern of the county school superintendent's office since the opening of Nicholas schools last September, has ceased to be a major problem here as a result of a current drive against truancy being conducted by county officials, it was reported this week by Superintendent Raymond J. Wesley.

Figures on classroom attendance in the county's schools, he pointed out, indicate a sharp upward trend in general compliance with the laws on school attendance. County Attendance Officer Otis Prymm, who recently instituted the prosecution of parents in several truancy cases, said that the number of children who habitually missed school would be summoned before the court in the county court. The attendance official is currently mailing final notices to parents in such cases.

In reporting on the condition of the county schools, Superintendent Wesley stated that during the month of September 7,063 children had been served to school children in Nicholas county, and that during October 13,501 lunches were served.

Carlisle Defeats Owingsville, 33-31, In Overtime Game

Coach Tebay Rose's Carlisle Musketeers, who lost their opening game this season to the Headquarters netmen last week, Tuesday night raced to a 33-31 victory over a visiting Owingsville team in a fast overtime period following a 31-31 tie at the end of the first quarter.

Ernest Clark, Musketeer guard, paced the Carlisle squad with a total of 17 points. Clark was responsible for the marker in the overtime session which clinched the victory for the local quintet.

The game, which was close and hard fought throughout, was tied at 8 to 8 at the end of the first quarter, and the half-time found Carlisle trailing the visitors 14-15. A vigorous second half led the game to the tie which necessitated the overtime.

Legionnaires To Hear G. Bryant

Initiation Rites Planned by Post

Garland Bryant, Lexington, former state commander of the American Legion, will be the principal speaker at the December meeting of Nicholas Post No. 17, which will be held at 7:30 o'clock Friday night in the circuit court room in Carlisle, it was announced this week by Elva R. Kendall, program chairman.

The session, which will be open to the public, will include an impressive initiation ceremony to be conducted by a visiting degree team from the Lexington Man O' War Post, Kendall said. Members of the local post will receive Legion degrees for the first time at Friday night's meeting, he added.

All Nicholas county Legionnaires were strongly urged to be present for Friday's session, and a general invitation was extended members of the local post by Commander Billy Laysen to bring relatives and friends to witness the ceremony.

Dam Pros, Cons Heard By Board

Report To Be Made To Washington

Arguments for and against the Licking River flood-control project, with the Falmouth hydro-flood-control dam in particular, were presented before a seven-man board of U. S. engineers Monday in the Covington City Building.

At the conclusion of the hearing, which drew delegations from the more than ten Kentucky counties affected, Col. Charles L. Hall, who presided, announced the board would report the contentions and submitted briefs to the U. S. engineers' office in Washington for decision.

The proposed flood-control project is estimated to cost $51,482,000, approximately half of which will go toward the Falmouth dam, to be located about nine miles southeast of Falmouth. The project, designed as a flood-control measure and for the production of hydro-electric power, would include reservoirs at Cave Run, Boston Station, Pools Creek and Falmouth.

300 At Turkey Shoot

More than 300 sportsmen from Nicholas and adjoining counties participated last Wednesday in a turkey shoot held at the Carlisle lake under the auspices of the Nicholas County Fish and Game Club. Competitors were keen in several classes of marksmanship contests, while pleasant weather conditions contributed to making the event an outstandingly successful one.

Turkeys were awarded in the rifle or target-shooting class to John Earlywine, Thomas Cotton, Garnett Whitaker, A. W. Dastel, W. R. Buntin Jr., Leroy Kendall, H. Marshall, Rolla Cavanaugh and John Myers.

Turkey-winners in the shotgun or clay-pigeon class were Elwood Kenton, J. D. Patton, Willie Ray Humphreys, G. J. Wright and Thomas Peters.
