Game Refuges Being Sought Here By Nicholas Fish And Game Club

Yule Dance Is Slated Next Week

Legion And Guard Will Co-Sponsor Event December 27

A capacity throng of Yuletide celebrants can be expected to attend an annual Christmas dance to be held at the Armory in Carlisle Friday night, December 27.

The affair, which will be sponsored by the Nicholas Post No. 17, American Legion, and by the local unit of the National Guard, will be the high point in what promises to be a gala holiday season in Nicholas county.

Music for the dance will be provided by "Burgie" Moores and his orchestra, who played for a dance here in the late fall. Alex Crawford, chairman of the dance committee, predicted a record attendance at the holiday event, which will be open to spectators as well as dancers.

Carlisle And Headquarters Meet Friday

In a game which promises to attract an overflow crowd of spectators to the Carlisle high school gym Friday night, the Carlisle high school Musketeers will meet the team from Headquarters for the second time this season.

The first Headquarters-Carlisle game, played at Headquarters on November 26, resulted in a 31-23 win for the squad from the county school. It was the Musketeer's first tilt of the season however, and both teams now have expectations of taking the laurels here Friday.

Woman's Club Members To Pack Baskets

Members of the Carlisle Woman's Club were this week reminded that the organization is planning to prepare a number of Christmas baskets to be distributed among the needy of the county, and were urged to bring contributions for these baskets to the Mothers, Potts and Shearer funeral home as soon as possible.

The baskets will be packed Monday. Those having perishable items were requested to call Mrs. M. C. Shearer, Mrs. Elden Hutchings or Mrs. Thomas Johnson.

To Open Office Here Saturday

The office which will be open day and night until January 1, will be open during January on Tuesdays and Saturdays only.

Holiday Preparations Complete As Groups Plan Yule Observance

Plans for a community-wide observance of the Christmas season were almost complete this week as churches, schools, business houses and homes made final preparations for the holiday's arrival, the first time since the beginning of the war, all strings of varicolored lights illuminated the streets of Carlisle's business section, and most stores reported heavy buying of gift merchandise during the week.

The week was marked by the return to Carlisle and Nicholas county of numerous college students and others who have been away during the fall months, and in many cases families were able to be reunited at home for the first time since 1941.

The Carlisle City schools and the Nicholas county school system will close for the holidays on Friday afternoon, and final school sessions will be concerned mainly with a wide variety of Yuletide activities, ranging from festivity plays and recitations to the singing of Christmas carols.

The observance will begin their observance of the Christmas season this week-end, with several pre-Christmas services planned for Saturday, Sunday and Monday.

A Solemn High Mass will be celebrated at midnight Christmas eve at the St. John's Catholic church here, with Father Emmert Bickley, chief pastor, assisted by Father Martin J. Lorenz, Deacon, and Father Clarence J. Duhart, Subdeacon. Father Bickley, chief pastor, will be assisted at the mass, which will be said at 9 o'clock Christmas morning.

The Carlisle Baptist church on Sunday morning will observe the "White Christmas" custom of bringing gifts of food and money for Christmas baskets. A Christmas vesper service will be held at 4:30 o'clock Sunday afternoon.

A Christmas pageant will be presented at 8 o'clock Monday night at the Christian church.

White Christmas contributions will be received at the church night service at the Carlisle Methodist church.

A cantata, "Emmanuel," will be sung by the Christian church choir at the Sunday evening service at that church. The Christian Sunday school will present a Christmas program at 7 o'clock Monday night.

The Assembly of God church in Carlisle will give a special Christmas program at 7:30 o'clock Saturday night. The program will include Christmas music and a play, "Joy to the World."

Fire Claims Life Of Mrs. Fryman

Pleasant Valley Woman Is Victim Of Sunday Tragedy

Fire originating in the explosion in her home of a jug of gasoline Sunday morning brought tragic death to Mrs. Dora Jolly Fryman, 45, at her home in the Pleasant Valley community in Nicholas county.

Mrs. Fryman, the wife of Willie Fryman, suffered severe burns about the head and body and critically injured being possible for such offenses.

Farmers interested in having reclaimed their farms into game refuges were requested by Fish Commissioner Ben Kilgore and County Fish and Game Club officials, to turn will list all available lands for the consideration of the club's Division of Fish and Game.

The club president pointed out that in all probability no less than 250 acres would be the minimum amount of land considered for any one refuge, and that the State agency will investigate conditions of the land selected for feed, cover and water supply. Areas chosen for such refuges will continue as refuges for a period of the first five years, Shearer said.

Several landowners from representative sections of Nicholas county have already asked for consideration in the selection of the proposed refuges.

Christmas Edition To Be Published Monday Night

It is requested that those having news items and advertising for the Christmas edition contact The Mercury on Friday or Saturday this week.

The True Christmas Spirit

There comes a time in the life of all men when some unusual act of kindness so stirs us that we feel the whole world should know about it. In our midst we find one so pure in heart and kind in soul that in justice to mankind generally, we must speak:

Our Nicholas County Tuberculosis Association Drive has been a success to date, and the people connected with this drive wish to thank everyone who has responded so quickly and spontaneously to it. However, we want to cite a letter that was received by the Association to illustrate the spirit of Christmas and the doctrine of peace on earth, good will to men.

A young girl in our county wrote the following letter:

Dear Sir:

"I have sold the one hundred Christmas Seals. I am sending extra thirteen cents to help the ones with Tuberculosis. I am sending $1.13."

What a wonderful world this would be if all of us could feel towards our fellow men, both known and unknown, such compassion in our hearts for each other.

Cities To Seek Gas Information

Hugh Bearden To Leave For Capital Soon

Agreement was reached this week by three gasless municipalities—Carlisle, Sharpsburg and Falmouth—to finance [illegible] to Washington to investigate possibilities for obtaining federal approval of a gas supply project for the three cities.

Hugh Bearden of Lexington, who has been engaged to represent the communities, declared that he would leave Lexington on or about January 2 for the nation's capital and would probably be able to make a report on his findings about the middle of January.

Bearden's principal objective, once in Washington, will be to contact the Federal Power Commission and to determine the likelihood of federal approval is the event the three cities be represents seek in the near future to obtain a certificate establishing their right to a gas supply.

The Central Kentucky Natural Gas company, owners of a gas pipe line running through this and other nearby counties, cannot consider tapping of their line, which was intended when built to supply Cincinnati alone, until would-be consumer cities can furnish federal approval in the form of a "Certificate of Convenience and Necessity" from the Federal Power Commission.

Possession of such a certificate will give Carlisle, Sharpsburg and Falmouth a legitimate basis upon which to negotiate for a line-tapping.

Fryman Christmas Exercises Friday At High School

The student council of the Carlisle city school has completed plans for holding a Christmas program in the school auditorium Friday. The program will include Christmas carols by the choir and band, a school Christmas tree, and a gift project.

Both the grades and the high school will be invited to take part in the program. To carry out the spirit of Christmas, a large tree will be lighted and decorated in the auditorium, and gifts placed around it. Names will be drawn so that every student will give and receive one gift, with a limit of fifty cents each, and the Student Council will have charge of distributing these gifts. The program will begin at 9:30 o'clock and will conclude about 11 o'clock.

Marsh At Norfolk, Va.

R. H. Marsh, aviation radioman, third class, husband of Mrs. Billy Marsh of 533 Dorsey avenue, Carlisle, is serving at the Naval Air Station, Norfolk, Va., according to a fleet news center release received here.

Marsh, who entered Naval service May 27, 1943, received his recruit training at the Naval Training Center, Great Lakes, Ill.

There persons were drowned in Licking river near Cynthiana shortly after 1 o'clock Wednesday afternoon when the automobile in which they were riding crashed through the guard rail of a highway bridge over the river, Harrison County Coroner Dave Rees said.

The victims were listed as James Myers Darnell, 34, of near Oakland Mills, Nicholas county; Miss Daisy Mitchell, 17, of Harrison county, and Miss Mildred Young, 17, of near Millersburg.

Three other occupants of the car, Raymond Moore, 25; Clarence Moore, 23, and Arthur Craig, 37, all of Nicholas county, extricated themselves from the automobile and waded to the river bank, Coroner Rees said. They were treated at the Harrison Memorial hospital for bruises and cuts, but none was seriously injured, the coroner added.

The accident occurred, Coroner Rees said, when the car, driven by Clarence Moore, careened through barriers which had been erected at the approaches of a bridge over Licking river on U. S. Highway 62 in the suburbs of Cynthiana. The bridge is being replaced by another structure and was being torn down.

The car plunged through the dismantled bridge into approximately 15 feet of water, the coroner stated. It turned upside down and only the wheels was showing out of the water, it was stated.

The bodies were removed from the water to the Smith-Rees funeral home in Cynthiana.

Coroner Rees said Darnell and one of the women had suffered injuries about the head and that they had probably been rendered unconscious before they drowned.

Darnell was a veteran of World War II, and was married, it was said. He was the father of two children.

Funeral services for Darnell will be held at 2 o'clock Friday afternoon at the Jesse Darnell cemetery in Cynthiana.
