A Great Big Merry

CHRISTMAS

GREETINGS... Christmas Time is one of those rare occasions when our thoughts turn from the more material things of life to the rarer, more beautiful ones... To our loved ones and our personal friends... To our business friends and associates... To the happiness we can bestow rather than that which is bestowed upon us... We realize that were it not for the good will and friendly feelings of folks like you, we would not have been privileged to enjoy the happiness which has been ours this year... As an expression, therefore, of our gratitude and appreciation of your good will, we would like to present our most sincere good wishes for a

MERRY CHRISTMAS and a HAPPY NEW YEAR.
