A PEOPLE AT WORK
LESSION TEXT—Genesis 28:1, 28:18

GOLDEN TEXT—Thou shalt worship only the Lord, and stand before him only: bow down—Matthew 23:9

A nation which knows God must have a place and a plan for worshipping Him. The history of Israel has moved forward in the account of a theocratic nation, that is, one governed by God.

The covenant at Sinai (ch. 18) was followed by the giving of the law (ch. 22), and then in chapter 24 we find the worship of God established. Two elements are necessary—a way in which God may be approached and a place to meet Him. The latter is provided by the building of the Tabernacle.

It is God's provision for a "tabernacle" (ch. 25). The appointment of Aaron as high priest, and his consecration, is the first step in the worship of God when man is to approach Him. The altar of the Tabernacle is the place where the sacrifice is made to meet God. This altar is the symbol of the sacrifice of Christ.

Consider the grace of God to the world. He has provided a way for man to approach Him. He has provided a way for man to approach Him. He has provided a way for man to approach Him.

Although the plans were made by God (Exod. 25:10), note that He gave to the people the privilege of providing the materials. They received it as a high privilege and not a burden, and they came enthusiastically with their gifts.

That thought here application to the believer, for we know that God will graciously give it (Cor. 13:1). Those who give out of their hearts will receive the best of God's blessing. The children of Israel brought their gifts with gladness, and their most treasured possessions and of the best of their hearts. It is to be noted to stop (Exod. 26:17) because their hearts were not in it.

The significance of the Tabernacle is both interesting and important. It is a symbol of God's presence with His people. All who were devoted were excluded because God was there.

It is a type of God's method of revealing Himself to His people. There must be a sacrifice for sin before communion can be established.

The furniture of the Tabernacle is described in chapters 25-31. The altar of the sacrifice and the laver of cleansing were first in the order of things. On his journey from the sacrifice to the communion of the Holy Spirit, the one who seeks God is to be cleansed and purified by prayer.

Christ is the Bread of Life, the Light of the world, our High Priest and intercessor. Within the Holy of Holies the entry and before the presence of a believer is the holiest of Christ.
