"My Country," Right Or Wrong?

It is a fine thing to see a man who has spent his life in the service of his country, who has seen the best of it and the worst of it, and who has lived through the most trying times of our nation's history, and who still has the courage to say "My Country, right or wrong, I stand with thee."

Need For Important Premises Still Clear

VOTE FOR BLAKEY HELM. He offers a constructive legislative program. He volunteered to serve in two House districts.

Cast YOUR Vote For JOHN YOUNG BROWN As Democratic Nominee For United States Senator

Able! Fearless! Experienced!

Neither in his social, professional, business or political life has he ever repudiated a promise, deserted a friend or deviated from the basic concept that honesty in attitude is the true position. The Senator chosen this year from Kentucky will, in all probability, serve eight years—two years of the unexpired term and six years of the new term, and they will be years fraught with extremely complex and far-reaching problems, for a chaotic world will need restoration to ways of peace and progress and the United States will have to make a major contribution to that end.

John Young Brown at the age of forty-six and after fifteen years of service for his state and nation with his novice as a legislator long past, is in excellent health and in full vigor of a comprehensive and analytical mind.

As a lawyer, veteran of World War I, landowner and experienced legislator who understands the intricate machinery of the legislative mill he is well-prepared to represent Kentucky in the National Senate.

A VOTE FOR BROWN WILL BE A VOTE FOR GOOD GOVERNMENT IN WASHINGTON! ALLIE CLINKENBEARD, Nicholas County Chairman For BROWN
