Dog Owner's Notice

The Nicholas county grand jury in session this week has examined records and it has been found that a number of persons owning dogs have not secured 1946 licenses for them in compliance with the law. The grand jury has adjourned and will reconvene May 20. At this time indictments are to be returned against delinquent dog owners and prosecutions will follow this action.

All persons who have not paid dog licenses are herewith warned of the penalty and those who desire to escape action should go to the courthouse and secure dog licenses before May 20.
