WISHES A MERRY YULETIDE TO ALL

Of Course you believe in Santy! . . . But even if you don't right now, the chances are ten to one that at one time in your career — the short pants or long curls stage — there was no doubt in your mind that there was a Santa Claus. You not only believed in him but you were in awe of him!

Santa Claus was a short roly-poly gentleman habitually clad in red with flowing white beard. He drove through the world Christmas Eve in a heavily-laden sleigh drawn by eight dashing reindeer.

It's a beautiful old myth — as much a part of the joyous Christmas season as is our annual wish for a Merry Yuletide for you and yours!
