DISASTER will strike this year!

In 66 years, the American Red Cross has relieved over 4,000 disasters of all kinds. Last year, alone, it assisted more than 136,000 people battered by catastrophe.

This year, the suffering and misery will again be great when new calamities strike down additional thousands. But come what may, you can depend on this:

As always, the Red Cross will be there to reduce the toll . . . ease the pain . . . soften the suffering.

Emergency aid for the injured . . . food and shelter for the homeless . . . help in restoring homes according to need. These services—and many more—the Red Cross will provide to all needy sufferers regardless of creed or race, young or old.

This vital work requires money—lots of it. Your support is urgently needed. So please give—and give generously—to your Red Cross chapter. There is no worthier cause!

GIVE—so your RED CROSS can carry on:

The Family with 2,000,000 Good Neighbors

If a "good neighbor" is one who's always ready to help when you're in trouble

If a "good neighbor" lends you a hand cheerfully, unstintingly—without first asking your politics or your race or your creed...

Then *your* family has *2,000,000* good neighbors—the devoted, volunteer workers of the American Red Cross, backed up by its paid staff.

These men and women are enrolled in *Nurse's Aide Corps, Motor Corps, Canteen Corps, Hospital and Recreation Corps, Home Service Corps,* —and many another efficient Red Cross service unit

They are ready to help when needed—should disaster strike your community—should flood or fire, earthquake or hurricane occur—should personal or financial problems overwhelm the serviceman or veteran.

Those are the kind of good neighbors these Red Cross workers are.
Once a year they call on *you* for help.
You'll give to the Red Cross, won't you?
Give now. Give all you can.

GIVE—so your RED CROSS can carry on!
