While Your Great New Ford Is on the Way...
Ford
We want to deliver your new Ford—and soon. We are grateful for your patience. You know it is difficult to wait. But this great car is well worth waiting for. You'll have your choice of two great engines—the famous 160-horsepower Ford V-8, or the rugged 100-horsepower Ford I-6, a companion power-plant that performs based on years of engineering development. For economy, there are such exclusive Ford features as economy-lubricating carburetion... and the lowest engine speeds in the low-price field. Ford's Performance values need no adjustment. And Ford's "Liquid" body of all-steel, all-weld construction—super strong, X-type frame and overhead, independent hydraulic brakes will assure safety time after time. Take one long look at the growing stream of new cars... the history of the two-tone color... new bright colors in extra-durable enamel finishes... and you'll agree—Ford's Got It!
We can deliver your great new Ford, protect your present car by always insuring on General Ford Service. For only Genuine Ford Service can give you the advantages of skilled Ford trained mechanics who really know your car... special tools and equipment designed for the job... and Genuine Ford Parts that are made right to work right. Today, we have more mechanics, more parts than in several years. So service is faster at your Ford Dealer's—today service for all but major jobs. Drive in today for any service need.

Safeguard Your Present Car with Genuine Ford Service!
