Clements Pledges All-Out Support For R.E.A. Growth

Idle words never brought electric

service to any farm. While some

critics have merely talked about R.

E. A., Earle Clements has got out

and worked for R. E. A. The Con-

gressional Record shows:

Electrification.

Earle Clements' speech to the House on May 28, 1947, emphasized the progress R. E. A. has made in Kentucky: 76,650 farms electrified in the 12 years the agency has been operating. Clements pointed out that the program is incomplete—that pleaded the cause of the R. E. A. in 162.157 Kentucky farms still await challenging speeches before the House of Representatives. He has R. F. A. service.

> He gave this clear-cut pledge in his speech at Glasgow on June 28:

fight for every measure which will make R. E. A. service easier and cheaper, so that every farm and rural home in Kentucky may have electric lights and power at fair and reasonable rates."
