

**U. K. Cadets To Wear 'Patch'**

Students in the University of Kentucky ROTC Cadet program will be distinguished from their civilian counterparts by the distinctive new shoulder insignia of the ROTC. The "patch" will be worn on the right shoulder of the uniform, and will feature a background and will have a gold wreath surrounding the emblem and the words "Army ROTC" inscribed in gold in the center.

**Many, Many Thanks**

We are grateful for the patronage extended to us throughout the years by our friends and neighbors.

We have watched the world go by for 25 years at our location on Main Street and feel that the time has come to let others take over the business which our customers have asked us in establishing.

We feel that Mr. B. J. Alexander is qualified to serve your needs and ask your continued support to our successor.

It is almost impossible to remove all traces of grease marks from wallpaper, but prepared treatments may lighten them so that they are almost invisible. Dissolve a few drops each of turpentine, kerosene and ammonia in a quart of water and apply a solution of it to the spots. Wash with clean water and dry.
