SEEING'S BELIEVING!

We Want to Show You What the Universal 'Jeep' will do AROUND YOUR OWN FARM

● Here we—write us—drop in and tell us what day you would like to see the Universal "Jeep" demonstrated, without obligation, on your own farm.
 We'll hook on your own implements and show you the pulling power of the 60 hp "Jeep" Engine and "Jeep" 4-wheel drive at tractor speeds to 20 1/2 m.p.h. We want you to haul or tow a load with the "Jeep" on any part of your farm.
 You've read about all the jobs the postwar Universal "Jeep" will do. Now, see it and drive it yourself. When can we come out?

WITH POWER TAKE-OFF, the Universal "Jeep" develops up to 50 hp for belt work—operates feed and hammer mills, silo fillers and other equipment. See it work on your farm.

HOUSEHOLD HINT

Coke that has been changed by preparation cannot be reused, particularly if the stain is an old one. You may be able to remove fresh preparation stains if the color has not been affected. Get at them quickly, however. For washable fabrics, wash with warm water and mild soap. For non-washable, sponge with warm soapsuds, then with clear, warm water.

E. F. Richardson

CANDIDATE FOR RE-ELECTION REPRESENTATIVE

Nicholas and Bourbon Counties

Democratic Primary Saturday, August 2, 1947

—Paid Political Adv.
