By BETSY NEWMAN

Diffy you are, think o. Leisy baby's strained foods in cans for dishes for adults? It's - now iten to me, but there is or reason why one can't adopt it. Even if you have no baby in the family, you can keep a few cans of strained baby foods on the shelf and they will come in handy.

The other day I was advocating a good lunch for the homemaker who has her noon snack alone, so if the day is hot she can treat herself to a nice cool drink with her sandwich or whatever.

Nicholas county's application for advance planning funds to be used in connection with securing a new 20-bed hospital has been approved by the Federal Works Agency Bureau of Community Facilities.

An unofficial announcement to this effect was received this week by County Judge Walter Shepherd from a Cincinnati bonding firm which said that it had noted the approval for funds in some press clippings it had received.

Judge Shepherd said he had received no official announcement from the federal agency concerning the approval, but he expressed a belief that such advice from federal authorities probably would be forthcoming soon.

The Nicholas county fiscal court already has approved a bond issue upon the proposed hospital and the matter will be placed before the voters at the November election.

The application for the planning funds was made by Otis and Grimes, hospital architects, who were authorized by the county court to take such action.

Although the cost of the hospital as not been announced, the erection of such an institution is estimated at $7,500 a bed, or $150,000 for a 20-bed hospital.

**Sgt. Samuel George Stationed On Kyushu**

Sgt. Samuel D. George, son of Mr. and Mrs. John L. George, Myers, Ky., is now serving with the 21st Infantry Regiment, a unit of the 24th Infantry Division in Japan. The 24th, known also as the "Victory" Division, is now occupying the entire island of Kyushu, southernmost and third largest of the Japanese home group.

Sgt. George entered the Army on 16 November, 1945, at Paris, France, and prior to Pacific overseas shipment, was stationed in the E. T. O. He arrived at the 24th Division in July 1946, reported with the M. P.'s, and was promoted to Sergeant.

The fine Army Education Program which has been set into operation in Japan offers the troops a wide variety of interesting classes which can be attended on off-duty hours. The large attendance at the "G. I." school, testifies to the number of troops taking of these classes.

Before entering the Army, George was a farmer.

## Licking Claims Two Victims Of Night Swim Party

A Fleming county farmer and a Brooksville girl, members of a Saturday night swimming party, today were the latest victims of the Licking River. The girl, a non-swimmer, stepped into a deep hole and the man lost his life in an attempt to rescue her.

The victims were Virgil Linville, 35, of the Mt. Tabor section of Fleming county, and Miss Alice Hedges, 19, Brooksville.

Sheriff John Anderson said that Miss Hedges, who could not swim, was wading in shallow water when she stepped into a deep hole and the man lost his life in an attempt to rescue her.

The victims were Virgil Linville, 35, of the Mt. Tabor section of Fleming county, and Miss Alice Hedges, 19, Brooksville.

Sheriff John Anderson said that Miss Hedges, who could not swim, was wading in shallow water when she stepped into a deep hole and the man lost his life in an attempt to rescue her.

The Licking River in that section which forms the boundary line between Nicholas and Robertson counties, is noted for its treacherous holes and "sinpots", residents of the section said.

Other members of the swimming party, investigating officers said, were Mrs. David McCord, sister of Miss Hedges, and her husband, who live in Robertson county near Blue Licks, and Kenneth Tarr and Miss Olive Thomas, both of Brooksville.

Sheriff Anderson said the drownings occurred shortly before 11 p. m., Saturday on the Nicholas county side of the river, about 150 yards west of the Blue Licks bridge on U. S. Highway 68.

Linville's body was recovered with grappling irons about 4:30 a. m., Sunday. Miss Hedges' body was not recovered until 4:30 p. m., Sunday by seachers who said they found it floating in the swift current near the Robertson county side of the river, approximately a mile downstream from the point where she drowned.

C. D. Wright, Robertson county's coroner gave a verdict of accidental drowning in connection with the death of Miss Hedges. A similar verdict was handed down by M. C. Shearer, Nicholas county coroner, in connection with Linville's death.

Linville, a veteran of World War II, was a son of Mrs. Jennie McCord Linville of Ewing and the late Aaron Linville. His survivors, in addition to his mother, include two brothers, Earl Linville, Carlisle, and Melvin Linville, Ewing, and four sisters, Mrs. Shirley Hill and Mrs. Ray Barbee, Maysville; Mrs. Oney Humphries, Ewing, and Mrs. Danny Miller, Nicholas county.

Funeral services for Linville were held at 2 p. m., Monday at the Mt. Tabor Methodist church with the Rev. S. B. Godbey officiating. Burial was in the Mt. Tabor cemetery.

Miss Hedges, who taught school during the past year at Wyoming Hills school in Bracken county, was survived by her parents, Mr. and Mrs. Ray Hedges, Brooksville; three sisters, Mrs. David McCord, Robertson county; Mrs. Bue Licks, and Mrs. Cecil Mattox and Miss Elizabeth Hedges, both of Brooksville, and a brother, Kenneth Hedges, of Brooksville.

## Licking Claims Two Victims Of Night Swim Party

A Fleming county farmer and a Brooksville girl, members of a Saturday night swimming party, today were the latest victims of the Licking River. The girl, a non-swimmer, stepped into a deep hole and the man lost his life in an attempt to rescue her.

The victims were Virgil Linville, 35, of the Mt. Tabor section of Fleming county, and Miss Alice Hedges, 19, Brooksville.

Sheriff John Anderson said that Miss Hedges, who could not swim, was wading in shallow water when she stepped into a deep hole and the man lost his life in an attempt to rescue her.

The Licking River in that section which forms the boundary line between Nicholas and Robertson counties, is noted for its treacherous holes and "sinpots", residents of the section said.

Other members of the swimming party, investigating officers said, were Mrs. David McCord, sister of Miss Hedges, and her husband, who live in Robertson county near Blue Licks, and Kenneth Tarr and Miss Olive Thomas, both of Brooksville.

Sheriff Anderson said the drownings occurred shortly before 11 p. m., Saturday on the Nicholas county side of the river, about 150 yards west of the Blue Licks bridge on U. S. Highway 68.

Linville's body was recovered with grappling irons about 4:30 a. m., Sunday. Miss Hedges' body was not recovered until 4:30 p. m., Sunday by seachers who said they found it floating in the swift current near the Robertson county side of the river, approximately a mile downstream from the point where she drowned.

C. D. Wright, Robertson county's coroner gave a verdict of accidental drowning in connection with the death of Miss Hedges. A similar verdict was handed down by M. C. Shearer, Nicholas county coroner, in connection with Linville's death.

Linville, a veteran of World War II, was a son of Mrs. Jennie McCord Linville of Ewing and the late Aaron Linville. His survivors, in addition to his mother, include two brothers, Earl Linville, Carlisle, and Melvin Linville, Ewing, and four sisters, Mrs. Shirley Hill and Mrs. Ray Barbee, Maysville; Mrs. Oney Humphries, Ewing, and Mrs. Danny Miller, Nicholas county.

Funeral services for Linville were held at 2 p. m., Monday at the Mt. Tabor Methodist church with the Rev. S. B. Godbey officiating. Burial was in the Mt. T
