News For The Veteran

Correspondence Courses Available

World War II veterans may take correspondence courses at government expense under the education and training provisions of the G. I. Bill. Although no subsistence allowance is paid by the VA, eligible veterans may take correspondence courses through approved institutions, with one-fourth of the enrollment time charged against their period of eligibity. Total cost of the course is limited to $500.00.

Questions And Answers

Q Can the beneficiary of the family of a veteran make premium payments on his GI insurance if the veteran doesn't care to do so?

A. Yes, but the insured veteran has the right to change the beneficiary at any time without consulting with or receiving the approval of anyone. He may also surrender his converted policy for cash at any time.

Q I am drawing retirement pay at present. Can I receive subsistence allowance while going to school under the amended GI Bill?

A. eVs are entitled to draw subsistence pay while drawing retirement pay. Retirement pay is not considered productive income and therefore is not to be included by the veteran in his statement of earnings filed with the VA.

Q Will my 10% World War II disability of $13.80 be increased in event I marry?

A. No. Your compensation is based on degree of disability and not on the number of your dependents.

Q I am an ex-WAC attending school under the GI Bill. I am contemplating marriage to a non-veteran and would like to know if I lose any of my rights under the GI Bill?

A. No.

Q I would like to reinstate my GI insurance which lapsed in 1945, and would like to know how to go about it?

A. Through August 1, 1947, the requirements to reinstate a term policy, regardless of how long it has been lapsed, are the payment of only two monthly premiums and a signed statement that you are in as good health as you were on the date your policy lapsed. You may obtain an application from the VA Contact Representative who visits the court house in Carlisle every Wednesday from 9:15 a. m. to 3:00 p. m.

Clements To Get Clubs' Support

Louisville — Final of Louisville's largest Democratic Clubs this week announced their support of Earle C. Clements for the party's nomination for Kentucky's next governor, officials of the clubs notified Clement's State Headquarters here.

Support for Clements was voted by the Third District Women's Club, Moss Green Club, Brennon Club and the East End Club, according to Tom Underwood, Clements' state campaign chairman.

The votes of all four clubs favored Clements by overwhelming majorities. In the vote of the Third District Women's Club only four opposing votes were reported among the 100 members present, Underwood said.

"These endorsements coming as they do this early in the campaign, point to unusually strong support for Mr. Clements among Louisville Democrats," Underwood stated. "To date Clements is the only candidate for nomination for governor to receive the endorsement of any Louisville Democratic club."

Social Security Payments Shown

How Social Security pays is revealed in figures announced today by R. A. Tweedy, manager of the Lexington office of the Social Security Administration. Explaining that his figures are estimates and subject to minor revision, Mr. Tweedy said that as of the close of March 31, 1947, a total of $40,711.38 is now in force monthly, in the 20 counties served by his office to 2,587 people under the Old-Age and Survivors Insurance program. These benefit programs were distributed approximately as follows: 1071 retired workers, age 65 or over, receiving $21,867.94 a month; 294 retired workers' wives, age 65 or over, receiving $6,075.55 a month; 251 young widows with children under age 18, receiving $4,366.04 a month; 816 children of retired or deceased workers, receiving $8,597.04 a month; 155 widows, 65 or over, and aged dependent parents of deceased workers, receiving $2,904.81 a month.

In addition, $9,395.88 in lump sums have been paid in the same period based on the wage records of insured workers who died leaving no one immediately eligible to receive monthly benefit payments.

"Individuals must apply for these insurance payments" Mr. Tweedy said. He emphasized that when a worker in a job covered by Social Security reaches age 65, he should visit or write to his nearest Social Security office. "Whenever a worker dies or where a veteran of World War II dies within thee years after discharge, a member of the immediate family or nearest relative should also visit or write to the Social Security office at once," he concluded.
