Disappearing the Fog, If Any
 Yes, there was a "Continental Agreement" between our country and the world, but it was not carried out in the way we expected. It has been left in the hands of the people to decide whether or not to accept it. The people have the right to know the truth about the agreement. The people have the right to know the truth about the agreement. The people have the right to know the truth about the agreement.

On the Firing Line

FLASH! MERCURY FIRMS RAGE IN SIX STATES!
 The proposal made by Philip Murray of the CIO, that government workers in a number of public positions, the most important of them being those of the world government, be exempted from the National Labor Relations Act. It must be prepared for the worst.

Tidbits of Kentucky
 The morning I walked down the road for more than sixty years the growth of our town. It had interesting things that have been forgotten. It had interesting things that have been forgotten. It had interesting things that have been forgotten.

YOU'RE TELLING ME!
 AFTER READING about the withdrawal of the United States from the world government, I was told that it was a good thing. I was told that it was a good thing. I was told that it was a good thing.

In By Gone Days
 The local market has changed. The local market has changed. The local market has changed. The local market has changed.
