## Improvement of City's Sewer System Believed 'Out of Reach' for Carlisle

The improvement of the existing sewer system of the city of Carlisle, Ky., is believed to be "out of reach" for the city at this time, according to a statement made by the city engineer, J. W. B. Smith, today.

The statement was made in connection with a report made by the city engineer to the city council, which is now in session. The report states that the city is not in a position to undertake such a large project at this time.

Smith stated that the city is not in a position to undertake such a large project at this time. He stated that the city is not in a position to undertake such a large project at this time.

Smith stated that the city is not in a position to undertake such a large project at this time. He stated that the city is not in a position to undertake such a large project at this time.

## Co-Operation

We believe that every farmer to whom we have sold grass or field seeds of any kind knows that we have been scrupulously particular to furnish nothing but the very best and most adaptable seeds, at reasonable prices.

## No Bargain Seeds

We have had many seed men say: "Why don't you buy some of these bargain seeds? Most everybody else is doing it," and our answer has always been: "Let the other fellow buy them. We want nothing for our customers but the best."

## Home Wanted

This desires to locate permanently in Carlisle. Who young man is willing to take a long lease on any home or apartment which may be available for rental purposes.

## Desires Location by September 15

## Lloyd Selby Drowns in Licking River While Trying New Outboard Motor

A new outboard motor, purchased by him some six weeks ago from the Veterans Hospital and had just been installed in his motor boat, was being used by Lloyd Selby, who was trying out the motor, when he drowned in the Licking River, near the mouth of the river, on August 27.

Selby fell from the motor-boat while trying out the motor, and was drowned in the Licking River, near the mouth of the river, on August 27.
