Easter Cakes Affords Pleasure

Believe that a community project can pay dividends was offered here Sunday afternoon with the Carlisle Community Church presentation of an Easter cake. The "E. B. Brown" cake, under the direction of Captain Thomas A. Bivick, a member of the faculty of the Millersburg Military Institute.

Members of members of the Christian, Methodist, Baptist and Presbyterian churches, presented to program an offering Sunday afternoon with the Carlisle Community Church. The project, organized by the 1947 Easter service by the Carlisle Municipal Association, again demonstrated the contribution to the relief of the Reconstruction of China.

Good Business Practices

As retail business is aggressively attacking the price position. That is true of independent and chain stores alike. It is true of the grocers, of grocers and bakers and all the rest. This new trend in retailing is not always the same principle. That principle has been to sell more goods at a lower price. This is the principle that has been followed by the grocers in this country. It is the principle that has been followed by the grocers in this country.

Local dealers

Local dealers are paying 25 cents a dozen for eggs. This is a record for the city. The price is due to the fact that the supply is low. The price is due to the fact that the supply is low.
