Truth Stranger Than Fiction

The public knows that the Federal Bureau of Investigation is a great detective of crime because of the efficiency with which it runs down lawbreakers. But do you know what it is a successful investigator that affects people in many ways of life.

A typical case is that of an old man who in 1944, aged, made the Los Angeles Police Department for investigation of a burglary in 1936. He was a man who had not been heard from since 1912.

An Ounce Of Insulin

The idea has been advanced that reduction of the nation's livestock population would be one way to conserve grain for human use. This may have a superficial appeal, but an examination of livestock production conditions shows there is a serious problem.

Chronic's Comment

Larkin Marshall told his lady friend for a while he had a headache. He had not been feeling well and was discussing world problems with his wife. She was in a bad mood.

The Right To Walk

How pedestrian safety is being increased by some 12,000 pedestrians killed in traffic accidents throughout the country since 1930.
