Speed up Baling with the

OLIVER "88"

Here's a great time-saving combination! The remarkable direct drive power take-off of the big new 3-4 plow Oliver "85" tractor is one of the greatest boosa to baling. To "ease" the blate's load or clear the machine, just step on the clutch of your "85"—the Oliver power take-off keeps on running! Let out the clutch and you've on your way again. No time wasted by declasting, gear shifting, and reclastings!

BUDGET BARGAIN OFFER

WOULDN'T you just know that congressional spy probers would reach into a little red schoolhouse and drag out a little Red schoolteacher for a star witness? Deed value can only be measured by the amount of feed and grain penduded per acre. The value of a bushel of clover or slaffs seed is measured by the tons of feed produced per acre. Southern States Seeds are selected for their ability to produce on your farm. As it turned out, the "mys witness" who was supposed "break the spy case wide of refused to talk, making it a open and shut case. Ky 31 Fescue lb. Always Be Considerate the ABC of Good Telephone Service
