Friendly As A Back Fence Chat

We believe that being friendly is just about the e est thing in the world to do. That's why publish a newspaper for this community is a pleasure rather than just a job. ...We believe that by making our news items and columns as friendly as a back fence chat we're giving you the kind of newspaper you want. The Carlisle Mercury is about you . . . and for you ... read it every week.

We're Not Boasting ...

.... about being angels, but we are boasting about the kind of printing service we ffer you. We have the "know-how" to produce good printing and no job is complete until our customer is entirely satisfied. You can rely on us every time for "just good printing".
