# A New Performance Pacemaker!

Greater value than ever! More practical farm features than you'll find in any tractor of comparable size.

you at mnd in any tractor of comparable size.

That's the new 2-plew, 4-fulled Oliver "66"—still the
"biggest lintle tractor build.

The "66" 6-forward-speed transmission—along with the
Fast Mistr governor—gives you almost any ground travel
and drawler pull combination you need, at an operating
economy that adds up to substantial savings in fast economy that adds up to substantial savings in fuel. Check these additional Tbig trace? features you get in the new "60" direct drive power take-off. Oil Mirer trans-tenden and the saving of the sav

Front Asle or Single Front Wheel.

Get all the facts on the advanced feathers Oliver offers in
its new tractor fleet that marks the beginning of the second century of building fine
farm machinery. Come in to see us.
