will say if a Universal "Jeep" is at work on your farm. Just put on the top and get on the job. With the steady traction of its 4-wheel drive job. With the steady traction of its 4-wheel drive the "Jeep" just keeps on pulling, in spite of soft ground or slippery footing. You don't have to worry about 'impassable' roads. Four-sheel drive takes the "Jeep" through, helps you with spring towing and hauling jobs that must be done.
