It All Depends On You!
Food high school seniors, two high students at Nicholas County High and the remaining students at Carlisle High put our town under a microscope and came up with some very good answers Thursday night.

These seniors, Betty Blake, Marjorie Miller, Ralph Hervey and William Edward Sexton, were not expressing unthoughtful opinions to participate in a Quiz Program arranged for Saturday by J. E. Bradshaw.

Albert Thiel spoke with surprising frankness to the group. He pointed out the fact that their elders would do well to be aware of the fact that the world is not as it was in the past. He pointed out that the world is not as it was in the past.

When Thiel spoke with surprising frankness to the group. He pointed out the fact that their elders would do well to be aware of the fact that the world is not as it was in the past.

YOU'RE TELLING ME!

SCIENTISTS report having found a way to tell you what you're telling me!
This is a new method of telling you what you're telling me. It's a new method of telling you what you're telling me.

In By Gone Days

March 15, 1932
Felix Hagner, five-year-old boy, lost his left eye in a fall from a tree. He was taken to the hospital and operated on. He is now blind in that eye.
