serves. These 47 new industries will pay nearly \$13,000,000 in wages each "ear to 7,347 workers.

That's not all, either. During 1947, in this same area in Kentucky, there was a net gain of

1,490 new businesses of all kinds-filling stations, groceries, offices, shops, and the like.

John Smith, this neighbor of yours, works in

these industries, these groceries and garages today.

And, being a typical American, he can see no reason why, in a few years, he shouldn't be running

them—even owning them. He's surrounded by successful men who started at the bottom. John Smith, American worker, knows electric-

John Smith, American worker, knows electric-tive is the worker's partner in progress, in creat-ing jobs, in making his efforts more productive and profitable. Expanding electricity means ex-panding industry. Your electric company, Ken-tucky Utilities Company, has always met the de-mands for more power. It is preparing to do so in the future — with the largest expansion pro-

# EASTER 19

The church bells ring and voices sing out the glad tidings of Easter...praising the glories of God.

Someone once said that God's greatness is best expressed through song. What beauty there is in the sound of blended voices singing the praises of our Lord!!

So this glorious Easter Sunday let us all join in singing His praises. And through the wonders of God let us renew our faith in Him who died for us. Let us bow down and humbly ask for guidance that will show us the right way...the way of the Lord.

Yes, Easter is truly a glorious occasion. It's a day of prayer and rejoicing...it's a day of worship and thanksgiving. It's a day that symbolizes one of our great free doms...Freedom of Religion...a privilege that too few people throughout the world

On Easter Sunday and every Sunday throughout the year, let us a each in our own way. Go the church of your choice Worship Him and sing His praises. Glory in His presence . . . Christ the Lord Has Ris'n Today!!
