Armour's

Big Crop **Fertilizer**

Armour quality has been maintained through out the past few years of scarce ingredients and you may be assured of the same high quality the coming season.

The supply of good fertilizer, however, will be no greater than last year and we would advise you to book your order and take it upon arrival.

The wLEX habit has become a "listening must" with thousands and thousands of radio homes throughout the coverage area of Radio Station wLEX.

wLEX is now the leading independent station in this area. This is an established fact proved by telephone calls, letters, postcards, personal calls and all other types of tests.

potentials, personal cases and as done types of the mean that every day more people are making wLEX listening a personal "pleasure habit" from early morning to late at night. And there are plenty of listeners, too. In the 42 counties covered by the wLEX signal, there is a population of 615,100 with 148,598 radio homes.
