## THXEDO

EGG MASH

You will not be fair to yourself or your pullets if you do not give them an opportunity to pay for their raising the past six months.

It costs quite a hit of money and care to groy from this time on that they are expected to return o you, in the production of eggs, all of this expense -plus a profit.

We do not know of a better way to get thi gg production than to continue good care and feed Γuxedo Egg Mash. Start feeding it now and reap the benefits of your labor and expense. There's no better egg producer than Tuxedo Egg Mash.
