NOTICE

Tuxedo Chop Has A History

Seeing the need of a good prepared feed for horses and mules, which were the sole means of transportation of heavy freight and other traffic in the Cincinnati area, they made up a feed which they called Tuxedo Horse and Mule Feed.

This feed became so popular and the demand so great, that the firm moved to Cincinnati and established The Early & Daniel Company, which, through the years, has formulated and manufactured the famous line of Tuxedo Feeds for all kinds of livestock and poultry.

The original Horse and Mule Feed is now known as Tuxedo Chop because of its value not only for horses, but as a fattening and finishing feed for all livestock.

Hundreds of champion baby beeves and herds of premium beef cattle have been matured on Tuxedo Chop, and its popularity as a good general feed continues to grow.

In Cooking Chicken

you were the President of A&P...

What would you do to make your A&P a better place to shop?

Have you ever said to yourself, "If I were the President of A&P, I know what I'd do"? I think there are many A&P customers who would like the opportunity to express themselves on the subject of their A&P. I really believe that from your side of the counter, you know A&P best. That's why I ask your opinion.

You can help to make your A&P an even better place to do all your food buying by

sending me your suggestions . . . criticisms . . . opinions. For instance, what about our ice? Is it as courteous and helpful as you would like it to be? Is it prompt and efficient, too? Do you always find all items plainly and correctly price-tagged-as they should be? What in your opinion are we doing that we could do even better? Or what are we not doing that you feel we should do?

I INVITE YOU TO WRITE AND TELL ME HOW YOUR A&P MAY SERVE-YOU BETTER

We of A&P want to make our stores the finest places of all in which to shop. That is why your suggestions, criticisms and opinions will be gratefully received and acknowledged. You see there are 100,000 employees of A&P from coast to coast jealously guarding the A&P reputation for courteous, honest, and efficient service. They never want to fail you in any way, but if they do, I am sure that they, as well as I, would
