Stop Feeling Miserably Weak Get Rid of It.

Famous Gastric Tonic Daily Helps Thousands Regain Strength and Energy.

Thousands of men and women who felt terribly tired, weak and run-down, now feel stronger for helping them feel refreshed, strong and full of pep.

Why drag around feeling half alive, miserable, and missing most of life's pleasures without adequate reason when you can feel better, look better and get a job out of it?

Regain increases your appetite and improves your digestion by waking up lazy stomach juices. Regain also relieves that weary, weakened, all gone feeling, pounds, big muscular aches and pains, restlessness, and nervous condition.

Nature's own medicinal roots, herbs, and bark, plus vitamins, Vitamins B-1, and B-12, are scientifically blended to make this famous gastric tonic. Formula is absolutely guaranteed not to contain any harmful material or narcotic whatever.

Don't go on suffering and feel miserable. Buy your first bottle of Regain with this irrefragable guarantee: If you don't eat, sleep, rest and look better in small period will be gladly refunded. Don't miss it.

You can get Regain at Hopkins Drug Co.

The 1949 FRAZER

Trailblazer-of-cars-to-come!

Once in a blue moon the stylists and engineers mold out of their creativity. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER in 1949!

Low, sleek and dynamically handsome it is the trailblazer in style of cars to come.

Its exclusive colors and finishes have made the world's leading fashion designers fall in love with it. They call it "the dream car."

Its test drivers who most reluctantly pushed a car into after sales for weeks on end and now are driving the new FRAZER with no passion for it.

To driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time... and first—trailblazing the way for all the cars to come.

First to have the clean and serene tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since this war, they've had the best and most successful—\$2 billion "mule" world—Vauxhall—produced in a quarter-million fully produced cars on the line during the war FRAZER! With 100 new features, the Kaiser-Frazer Corporation, Willow Run, Michigan.
