Farming in Washington

Let's get it straight! Don't look now, but many of our newspapers have carried a report...

Typical of these attacks is the editorial which appeared last week in the New York World Telegram...

What about charge that who is to blame for the fact that farm supports will be kept at 90 percent...

Not the Agricultural Department on the U. S. Senate, both of which sided with AFSA...

Support Charge? Last week's editorial in the New York World Telegram...

What about charge that who is to blame for the fact that farm supports will be kept at 90 percent...

remains to be seen. Such action would, of course, come too late to influence the present market...

It is four months, the U.S. index of land value reached 174 (1912=100), which was 119 percent above the 1913-19 average...
