Non-Explosive Can Be Used On The Finest Fabrics

Clean your Rugs or Upholstered Fur-niture the easy way. MAGIC FOAM will do just that trick. Excellent for the upholstery in your car.

HOW TO USE IT: Pour a teacupful into a container (not aluminum), work up into a stiff foam. Go over surface and rinse a stiff foam. Go over surface and rinse out sponge in clean water. Makes those rugs and fabrics just like new. Brings out the colors. You can walk on your rugs two hours after cleaning with Mag-ic Foam. Do not dilute. The stiffer the foam, the better the job.
