miss the parallel.

You glimpse a bold front end — sleek tapering fenders — flaring, streamlined roof lines — even to "double bubble" taillights, here is the look of "the fastest thing that flies." And we might add another thing, just by way of being practical. It's frugal too. Frugal in a first cost that's actually less than for some sixes. Frugal in the surprising way such a sizable car gives the go-by to gas pumps. Then you try one on the road, cour-tesy of your Buick dealer.

You realize that here is action, swift and easy-action born of Fireball

your grip on the road sure-footed and firm.

This you tell yourself, is traveling as traveling should be.
