DAY

We appreciate the visit of Gov. Earle C. Clements, chief executive of the amonwealth of Kentucky, and were gratified by his inspiring message.

We wish to thank Bill Small of Thompson's Greenhouses, for his donations of flowers Sunday afternoon; Mrs. Walter Wyrick for the use of her stand for an information booth; Mayor W. C. Talbert and the Carlisle City Council; Judge Walter Shepherd and the Nicholas County Fiscal Court for the use of the street and highways for our celebration.

Many others, who gave financial support to the undertaking, although they e too busy to erect booths, deserve our commendation.

An Open Letter To All Residents Of Nicholas County

Homecoming Days and the celebration of the Fourth of July could not reomecoming Days and the elebration of the Fourth of July could not we been the successful series of events they were without the active participa-n and cooperation shown by Nicholas county's own homefolk in the highly coessful program which we were able to present.

successful program which we were able to present.

To each and all, who aided in our Sunday afternoon religious service and Community Sing, including the Carliale Ministerial Association, the Rev. W. L. Smith, the Rev. J. C. Cart, the Rev. J. Whitchouse, Mrs. Sterling Blake, Mrs. M. C. Sheater and Mrs. J. M. Pitman, our sincerest and deepest appreciation for your kind assistance.

The Carlisle Mercury and The Nicholas County Star also gave their editor support and valued publicity in helping to attract former Nicholas countians return for the celebration.

We are especially grateful to local and out-of-town merchants and the polit-candidates who, by their purchase of booth space and streamers, contributed trially to the success of our undertaking.

The Homecoming Days, we hope, is the first annual event of its kind which we will present. It is our intention to make each succeeding program bigger and better with the passing of each year.
