# What's so fair on a day in June

The day is bright and the company good. Long ribbons of road, smooth and inviting, spread their challenge.

Giant power purrs under a long bonnet. Your wheels—coil springing mounted all around—step lightly over dips and bumps. Your foot on the throttle controls the silken luxury of Dynaflow Drivet-surging, slow-ing, even halting completely with never a need for clutch work or lever shifting.

Is the breeze a bit strong? A finger-touch runs up the door windows. Is the seat just right? Another control corrects it as easily.

BUICK alone has all these features

swing up a snug top if it's needed.

So you're free. Free to make the most of fair days and pleasant companions. Free to take it easy, find adventure in thrilling pace or the solid content in loaf-along gait.

So what's keeping you out of a Buick Convertible? Is it price? Is it delivery? Or is it just not looking into such things?

Correct the last—by seeing your Buick dealer—and you'll find demonstration yours for the asking, the price easier to manage than you thought and deliveries so prompt you'll quickly get an order in.
